Dear Mrs. Moore:

We acknowledge receipt of the 2018-19 Individual Class Size Waiver Requests received from Wake County Schools for **Baucom Elementary School**.

G.S. 115C-301(g) prohibits the State Board of Education from granting waivers for Kindergarten through third-grade individual class size overages except under the following circumstances:

- a) Emergencies, or acts of God that impact the availability of classroom space or facilities;
- b) An unanticipated increase in student population of an individual school in excess of two percent (2%) of the average daily membership of that school;
- c) Organizational problems in geographically isolated local school administrative units in which the average daily membership is less than one and one-half per square mile;
- d) Classes organized for a solitary curricular area; or
- e) A charter school closure.

Wake County Schools requested waivers for the following schools based on classes organized for a solitary curricular area as stated above. The request for class size waivers meets the criteria as set out by law and are **approved**. These waivers apply only to the 2018-19 school year.

Baucom Elementary School has 1 Third-Grade class with 24 students (over by 1).
