Subject: Atlantic Coast Pipeline (ACP) - Additional Funding for Public Schools

Per S.L. 2018-2, NC DPI is required to collate reports from local education agencies (LEAs) on the receipt and expenditure of Atlantic Coast Pipeline funds and submit those reports to the Joint Legislative Commission on Governmental Operations on a quarterly basis. As of this date, the Department of Public Instruction has confirmed with the Office of State Budget and Management that no such funds have been distributed to LEAs. Therefore, no reports have been received or collated for quarterly reporting.

S.L. 2018-2, SECTION 1.(d) – Reports. Each school unit receiving funds pursuant to subsection (c) of this section shall report to the Department of Public Instruction on funds received within 10 days of receipt of the funds. The Department of Public Instruction shall collate all reports required by this section and remit the collated information to the Joint Legislative Commission on Governmental Operations quarterly. The first submission of collated information shall be remitted no later than September 1, 2018, and the school units shall continue to report, and the Department shall continue to remit the collated information until the Department certifies that all funds governed by the MOU have been received by the school units.
