PART 6: GENERAL PROVISIONS

6.4 Make the Base Budget the Starting Point for State Agency Budgeting

Repeals G.S. 143C-1-1(d)(7a), and therefore fundamentally changes how average daily membership (ADM) growth is built into the state budget. Prior to this change, projected ADM increases have been automatically included in the annual Base (or “Continuation”) Budget. The General Assembly then could vote to decrease funding. This new provision defines what can be included in the annual Base Budget, and ADM increases are no longer included as a result of this change. Now, the General Assembly must vote to increase funding to meet the new enrollment growth. LEAs and charter schools will not know until July/August (or whenever the final Budget bill becomes law) whether their expected increase of students in that school year will be funded because any such increase will be a part of the Expansion (not Base) budget.

6.10 Reporting on Agency Reorganizations and Movements of Positions
The Office of State Budget and Management (OSMB) will report quarterly to the General Assembly on reorganizations of state agencies and all positions moved within a state agency or between state agencies.

PART 7: INFORMATION TECHNOLOGY

7.1 Information Technology Fund
In relevant part, appropriates $5,000 in FY 2014-15 for the Longitudinal Data Board overseen by the State Chief Information Officer.

PART 8: PUBLIC SCHOOLS

8.1 Funds for Children with Disabilities
Increases supplemental funding for children with disabilities to $3,768.11 per child for FY 2014-15 ($3,743.49 in FY 2013-14). A cap of 12.5% of each LEA’s allocated ADM remains in place.
8.2 Funds for Academically Gifted Children
Increases supplemental funding for academically or intellectually gifted children to $1,239.65 per child for FY 2014-15 ($1,233.01 in FY 2013-14). A cap of 4% of each LEA’s allocated ADM remains in place.

8.3 Extend the Date for School Employees to Qualify for Certain Education-Based Salary Supplements/JLEOC Study
Restores $18.7 million (recurring) in master’s and other graduate degree pay for certain qualified employees. Eligible teachers and instructional support personnel will be paid on the "M" salary schedule or receive a salary supplement for academic preparation at the six-year degree level or the doctoral degree level for the 2014-15 school year and subsequent school years if they are:
   1. Certified school nurses and instructional support personnel in positions for which a master's degree is required for licensure.
   2. Teachers and instructional support personnel who were paid on that salary schedule or received that salary supplement prior to the 2014-2015 school year.
   3. Teachers and instructional support personnel who (a) complete a degree at the master's, six-year, or doctoral degree level for which they completed at least one course prior to August 1, 2013, and (b) would have qualified for the salary supplement pursuant to State Board of Education policy TCP-A-006, as it was in effect on June 30, 2013.

JLEOC will study the payment of education-based salary supplements for teachers and instructional support personnel and the use of state funds to provide for “differentiated pay for classroom teachers based on demonstrated effectiveness and additional responsibilities in advanced roles.” See Section 8.3(b). JLEOC will report the results of this study to the General Assembly by January 2015.

8.6 Budget Reductions to the Department of Public Instruction
Ten-percent (10%) budget cut to DPI in the amount of $5,026,050. None of the reductions may come from funding or positions for: (1) the North Carolina Center for Advancement of Teaching, or (2) the residential schools (Eastern North Carolina School for the Deaf, the North Carolina
School for the Deaf, or the Governor Morehead School), except for positions that have been vacant for more than 16 months. Additionally, SBE cannot reduce funding to Communities in Schools of North Carolina, Inc., Teach for America, Inc., or Beginnings For Parents of Children Who Are Deaf or Hard of Hearing, Inc.

8.7 Clarify Carryforward for Reading Camps
Effective June 30, 2014, funds appropriated for reading camps established under Read to Achieve will not revert at the end of each fiscal year, but will remain available for expenditure until October 31 of the subsequent fiscal year.

8.8 Carryforward for Panic Alarm Grants
Effective June 30, 2014, funds appropriated for panic alarm system grants will not revert at the end of each fiscal year, but will remain available for expenditure until the end of the subsequent fiscal year.

8.9 SBE Notification to the General Assembly of Federal Grant Applications
Added a responsibility under G.S. 115C-12(42) that SBE must notify the General Assembly of federal grant applications through written notice of its intent to apply for any federal grant prior to submitting the application. The notice shall include details about the grant and a brief summary of any anticipated policy implications.

8.10 Property Insurance System for Charter Schools
Revises G.S. 115C-533 to permit SBE to offer a system of property insurance to approved charter schools, adding to the pre-existing duty to manage said system for traditional public school property.

8.11 NC Education Endowment Fund
Establishes the North Carolina Education Endowment Fund to consist of the following:
   a. Moneys from the sale of "I Support Teachers" special vehicle registration plates (image below);
   b. Proceeds of any gifts, grants, or contributions to the State specifically designated for inclusion;
   c. Appropriations by the General Assembly; and
   d. Interest accrued.
Moneys in the Fund can only be appropriated by the General Assembly for teacher compensation that is related directly to improving student academic outcomes in public schools. Eliminates language under G.S. 20-79.7 & -81.12(b12) referencing the former “Support Public Schools” plates.
Effective beginning the January 1, 2014 taxable year, any taxpayer entitled to a refund of State income taxes may elect to contribute all or part of the refund to this Fund, and any taxpayer may make a contribution to the Fund. For FY 2014-15, the $1 million, non-recurring, appropriated to the Endowment from the General Fund must be used to provide local boards of education with additional state funds to provide local programs for differentiated pay for highly effective classroom teachers. See Section 8.41 below.

8.12 Clarify Military Service Credit for Newly Hired Educators
Clarifies that G.S. 115C-302.3(a), “Salary credit for service in the Armed Forces,” applies only prospectively, beginning the 2014-15 school year, to educators not previously employed by a NC public school, and does not apply retroactively to those already employed in or before the 2013-14 school year.

8.13 School Transportation Fleet Manual Review
DPI will study and review school bus transportation maintenance issues by convening a committee of school bus transportation maintenance experts, at least half of whom shall be employees of LEAs directly involved in the daily maintenance of school buses. The study will specifically review the state’s School Transportation Fleet Manual and relevant state and federal laws and guidelines, including the 30-day bus inspection schedule, in order for DPI to report on the results and any recommendations for statutory changes to JLEOC by December 15, 2014.

8.15 Driver Education
Repeals G.S. 20-88.1(c) effective July 1, 2015 (“Expenses incurred by the State in carrying out the provisions of the driver education program administered by the Department of Public Instruction in accordance with G.S. 115C-215 shall be paid out of the Highway Fund based on an annual appropriation by the General Assembly.”). Beginning with FY 2015-16, the driver education program administered by DPI will no longer receive state funding ($26.7 million reduction). LEAs “shall use funds available to them, including a fee for instruction charged to students... to offer noncredit driver education courses in high school’s.” See Section 8.15(b). Increases the allowable charge per student for a driver education course from $55.00 to $65.00 to offset the costs of providing training and instruction. The estimated average cost per student in North Carolina is approximately $283.

8.17 Funds for Advanced Placement/International Baccalaureate Courses
If the funds appropriated for FY 2014-15 ($10,831,184) and subsequent fiscal years are insufficient to cover the AP/IB test fees for students, DPI may use other funds within the State Public School Fund for this purpose. Said funds are also now extended to charter school students.

8.18 Study of North Carolina Virtual Public School (NCVPS) Revenue
JLEOC will study the potential generation of revenue by NCVPS through selling virtual course seats in under-subscribed courses to out-of-state students, selling training courses to in-state and out-of-state educators, and selling packages of educational materials to out-of-state education entities. JLEOC will also consider issues related to authorizing NCVPS to expand as a for-profit online education provider, including intellectual property barriers, the use of public-private
partnerships, potential fiscal benefits to the State, concerns related to allowing NCVPS to enter the private marketplace, and any other relevant issues. JLEOC will report the results of the study, including recommendations for any proposed legislative changes, to the General Assembly by January 2015.

8.19 Competitive Grants to Improve After-School Services
For FY 2014-15, SBE is directed to use $5,000,000 from the At-Risk Student Services Alternative School Allotment for the After-School Quality Improvement Grant Program whose purpose is “to pilot after-school learning programs for at-risk students that raise standards for student academic outcomes....” The General Assembly’s stated intent is to continue this appropriation each year of the 2015-2017 fiscal biennium. DPI may use up to $200,000 for each fiscal year to administer the program.

LEAs and nonprofits working in collaboration with LEAs may participate in the program and are eligible to receive two-year grants of up to $500,000 per year, based on the proposed number of students served, with an option for a third year of funding. At least 70% of students served by the program must qualify for free or reduced-price meals. Grants will be matched on the basis of $3.00 in grant funds for every $1.00 in non-grant funds. Matching funds cannot include other State funds, but may include in-kind contributions.

Grant recipients are required to report to DPI after the first year on the progress of the grant, including alignment with State academic standards, data collection for reporting student progress, and other measures, before receiving funding for the next fiscal year. Grant recipients must report after the second year on key performance data, including statewide test results, attendance rates, and promotion rates. Grant allocations for the third year will be based on student performance data. DPI will provide interim reports on the grant program to JLEOC by September 15, 2015, September 15, 2016, and a final report by September 15, 2017.

8.20 Schematic Designs and Emergency Access to Schools
Repeals prior law on schematic designs of schools (Section 8.39 of SL 2013-360) and sets forth new state law under G.S. 115C-105.53 and -105.54. By June 1, 2015, each LEA must provide: 1) local law enforcement agencies and the Division of Emergency Management, Department of Public Safety, with schematic diagrams, including digital schematic diagrams, for all school buildings, and 2) updates of said diagrams thereafter. Each LEA must also provide local law enforcement agencies with emergency access to key storage devices (e.g., KNOX® boxes) for all school buildings and provide updated access when changes to the same are made. LEAs must further provide the Department of Public Safety (DPS), Division of Emergency Management, with emergency response information requested for the School Risk Management Plan (SRMP) and the School Emergency Response Plan (SERP). The schematic diagrams and emergency response information are not public records under G.S. 132-1.

DPI, in consultation with DPS, shall develop standards and guidelines for the preparation and content of schematic diagrams and necessary updates. LEAs may use these standards to assist in the preparation of their schematic diagrams. DPS will ensure that the diagrams and emergency response information are securely stored and distributed as provided in the SRMP and SERP to first responders, emergency personnel, and school personnel and approved by DPI.
8.21 National Board for Professional Teaching Standards (NBPTS) Supplement for Instructional Coaches in Title I Schools
Expands eligibility for NBPTS supplemental pay under G.S. 115C-296.2(b) to those who are “instructional coaches” (as classified by DPI) in a Title I school for at least 70% of their working time.

8.22 JLEOC to Study Diagnostic Reading Assessments for Read to Achieve
JLEOC will study the formative and diagnostic reading assessments required to meet the provisions of Read to Achieve. The study will examine whether there are additional options for formative and diagnostic reading assessments that would provide LEAs with additional flexibility to meet requirements, and if fewer assessment instruments or data-gathering activities could be used. JLEOC will also review additional assessments to determine if they could be used with the Education Value-Added Assessment System (EVAAS) to analyze student growth for the purposes of the teacher evaluation instrument for K-2 teachers. JLEOC is to identify other assessments that may be used to analyze student growth for this purpose. There is a set list of factors the Committee shall consider as it conducts this study and reports to the General Assembly by January 2015.

8.23 Supply of Emergency Epinephrine Auto-Injectors on School Property
Beginning November 1, 2014, LEAs, boards of directors of charter schools, and boards of directors of regional schools shall provide a supply of emergency epinephrine auto-injectors (also known as “EpiPens”) on school property for use by trained school personnel for emergency medical aid for those suffering from an anaphylactic reaction during the school day or at school-sponsored events on school property. For purposes of this law, “school property” does not include transportation to or from school. Each school must store a minimum of 2 such auto-injectors in a secure, but unlocked and easily accessible location. See new statute G.S. 115C-375.2A.

Principals are directed to designate one or more school personnel, as part of the medical care program, to receive initial training and annual re-training from a school nurse or qualified representative of the local health department regarding the storage and emergency use of the auto-injectors. The school nurse or designated, trained school personnel will obtain a non-patient specific prescription for epinephrine auto-injectors from a doctor, physician assistant, or nurse practitioner of the local health department. The principal shall collaborate with appropriate school personnel to develop an emergency action plan for the use of epinephrine auto-injectors.

This legislation does not prohibit a student with a medical need from carrying and self-administering their own auto-injector. The following individuals are immune from civil liability for any act or omission authorized by this law (absent gross negligence, wanton conduct, or intentional wrongdoing): local boards of education, their members, employees, designees, agents, or volunteers, and a physician, physician assistant, or nurse practitioner of the local health department. The North Carolina Board of Pharmacy, in consultation with SBE, is adopting rules to address the authorization of school personnel to obtain a prescription for epinephrine for emergency health circumstances in public schools under this new law.
8.25 Opportunity Scholarship Grant Clarifications

Makes clarifying changes to the 2013 Opportunity Scholarship Grant law, as follows:

- Grants are to be awarded on March 15 (no longer March 1).
- Applications and personally identifiable information related to eligible students receiving scholarship grants are not a public record (retroactively effective July 1, 2013).
- The State Education Assistance Authority (SEAA) shall verify six percent (6%) of the applications annually, including those with apparent errors on the face of the application (however, for 2014-15 applications and spring 2015 applications, SEAA has to verify a minimum three percent (3%)).
- A nonpublic school that accepts eligible students cannot discriminate based on race, color, or national origin in accordance with federal law, 42 USC § 2000d, as it read on January 1, 2014.
- A nonpublic school that accepts eligible students must provide to SEAA a criminal background check for the staff member with the highest decision-making authority.
- Repeals the annual requirement for SBE and LEAs to proactively identify the reduced funding for each LEA based on students leaving public schools to use the scholarship grants in nonpublic schools.

Creates a new application cycle for grants awarded in the 2015 spring semester. SEAA shall make applications available on October 1, 2014, for the 2015 spring semester scholarship grants. To receive such a grant for this semester, a student must: (a) reside in a household with an income level equal to or less than that required to qualify for the federal free or reduced-price lunch program, and (b) be a full-time student who has not yet received a high school diploma and is attending a public school during the 2014 fall semester.

SEAA must establish temporary rules and regulations for the administration and awarding of scholarship grants for the 2015 spring semester. Priority will be given to an eligible student who applied but did not receive an award for the 2014-15 school year. SEAA may also develop a process for awarding grants using a random lottery system. Scholarship grants for the 2015 spring semester will be for amounts up to $2,100. No scholarship grant shall exceed the required tuition and fees for the subject nonpublic school.

8.26 Injury Prevention and Return-To-Work Programs

Adds new subdivision (43) under G.S. 115C-12 (Powers and duties of SBE). SBE has a new duty to “Ensure that Local Boards of Education Implement Injury Prevention and Return-to-Work Programs.” SBE will develop policies and procedures to ensure that LEAs implement and comply with loss prevention and return-to-work programs. Models shall be designed to reduce the number of injuries resulting in workers' compensation claims and ensure injured employees with claims return to work in accordance with current SBE policies.
8.27 Participation in Investing in Innovation Grants
The federal Investing in Innovation Fund Grant awarded to the North Carolina New Schools Project for 2012-2017 requires students to enroll in a community college course in the 10th grade. Specified LEAs may offer one community college course to participating 10th grade students. Participating LEAs are Alleghany, Beaufort, Hertford, Jones, Madison, Richmond, Rutherford, Surry, Warren, and Yancey County Schools. Additionally, Bladen and Martin Counties are added as participants this year, and Wilkes County is removed.

8.28 Department of Public Instruction Response Time
Staff at DPI “shall, whenever practicable, respond to requests for information originating from the superintendent of a local school administrative unit, the principal officer of a charter school, or the principal of a regional school, or their designees, within three business days of receipt of the request. Absent extraordinary circumstances, requests for information shall be reasonably and fully answered within 14 business days following an initial response.”

8.30 Extend Reporting for School Performance Scores and Grades
Delays the first annual report cards under G.S. 115C-12(9)c1, including the A-F School Performance Grades, to “no earlier than January 15, 2015” (revising the 2013 law which had delayed them to no earlier than August 1, 2014).

8.32 Annual Distribution of School Bullying/Cyber-Bullying Policies
At the outset of each school year, beginning in 2014-15, principals must provide to staff, students, and parents the LEA’s policy prohibiting bullying, cyber-bullying, and harassing behavior. Revises G.S. 115C-407.16(d).

Beginning in the 2014-15 school year, each charter school and regional school is encouraged to adopt a policy against bullying, cyber-bullying, or harassing behavior. Charter and regional schools adopting such a policy shall, at the beginning of each school year, provide it to staff, students, and parents. Revises G.S. 115C-238.29F and -238.66.

8.33 Clarify School Counselors Work Duties
Clarifies that during the remaining 20% of a school counselor’s work time (beyond the 80% requirement of “providing direct services to students”), he or she may “assist other staff with the coordination of standardized testing.” See Section 8.33(a). The new language under G.S. 115C-316.1(b) reads as rewritten:

"(b) During the remainder of their work time, counselors shall spend adequate time on school counseling program support activities that consist of professional development, consultation, collaboration, and training, and program management and operations. School counseling program support activities do not include the coordination of standardized testing. However, during the remainder of their work time, school counselors may assist other staff with the coordination of standardized testing.”
8.34 Funds for Charter School Closure
Adds requirement that charter schools must maintain, for the purposes of ensuring payment of expenses related to voluntary or involuntary dissolution, one or more of the following (for charters seeking initial approval or renewal on or after August 7, 2014):

1. An escrow account.
2. A letter of credit.
3. A bond.
4. A deed of trust.

The minimum aggregate value must be $50,000. SBE cannot allocate any funds to a charter school unless the school has provided documentation that these requirements have been met.

Recodifies G.S. 115C-238.29F(i) as G.S. 115C-238.29L(b), requiring that upon dissolution of a charter school, all net assets of the charter school purchased with public funds shall be deemed the property of the LEA in which the charter school is located.

8.35 Virtual Charter School Pilot Program
Directs SBE to establish a Virtual Charter School Pilot Program for a term of 4 years, for 2 virtual charter schools, beginning with the 2015-16 school year and ending in 2018-19. These virtual charter schools will be subject to the same statutes and rules applicable to traditional charter schools plus numerous others, as follows:

- The maximum enrollment is 1,500 students in the first year of operation and may increase annually by 20%; the maximum enrollment in year four is 2,592 students.
- The maximum overall ratio of teachers to students for grades K-3 is 1:50; and for grades 9-12, 1:150.
- A virtual charter school’s procedures for withdrawal of students for regularly failing to participate in courses shall meet basic “notice” and “opportunity to be heard” requirements.
- Each school must maintain an administrative office within North Carolina and at least one testing center or meeting place within each of the 8 SBE districts where participating students reside.
- If a school contracts with a third party (e.g., Education Management Organization (EMO)) for staffing, the superintendent, principal, and business officer must be North Carolina residents.
- All teaching staff must carry the appropriate state certification and receive professional development in virtual instruction. At least 90% of the teaching staff must be North Carolina residents.
- The subject schools must maintain a withdrawal rate below 25%. However, students with the expressed intent of only being enrolled for a finite period of time will not be counted in the withdrawal rate. A count of school attendance will be taken at least once during each semester for funding purposes.
- The virtual charter schools must ensure that each student is assigned a learning coach who must: (a) provide daily support and supervision; (b) ensure participation in online lessons; and (c) coordinate teacher-led instructional sessions and state assessments.
• Notwithstanding G.S. 115C-238.29B and -238.29D, a participating virtual charter school that is academically successful during the pilot period will be eligible for SBE approval, at SBE’s discretion, without additional application requirements.

The state funding for these virtual charter schools is generally the same as for regular charter schools, except that it will not include state allocations for low-wealth or small county supplemental funding. Local funding from the local current expense fund will be the lower amount of either $790.00 per pupil or the actual per pupil LEA amount provided to charter schools. All other provisions of G.S. 115C-238.29H apply.

If pilot participants do not comply with the provisions of this proposed law, they risk deferenment, termination of enrollment expansion, or termination. Participating schools are subject to SBE examination of data, at the call of the SBE Chair, with a minimum of 21 days notice. SBE is required to report on the initial implementation of the pilot program to JLEOC by November 15, 2016, and on findings from three years of operation by November 15, 2018.

8.36 Clarify Regional School Cooperative Innovative High School (CIHS) Applications
Deems the Northeast Regional School of Biotechnology and Agriscience (NERSBA) a CIHS for the 2014-15 school year. To maintain this new designation beyond 2014-15, the board of directors of NERSBA must apply with a local board of trustees (community college or public or private university board) for approval as a CIHS under Part 9 of Article 16 of Chapter 115C (G.S. 115C-238.50 et seq.)

8.38 Lease Purchase or Installment Purchase Contracts to Purchase Athletic Lighting
Amends G.S. 115C-528(a) to allow local boards of education to purchase or finance the purchase of athletic lighting through lease purchase contracts and installment purchase contracts.

8.39 Education of Children in Private Psychiatric Residential Treatment Facilities (PRTFs)
Funds educational services ($3.2 million, recurring) to students in private PRTFs (approximately 43 facilities and 540 students in North Carolina as of May 2014) and establishes a new inter-agency state and local framework with joint efforts by SBE/DPI, DHHS, LEAs and PRTFs to ensure educational standards are met for these students. Allows authorized personnel in DHHS, DPI, LEAs and PRTFs to share necessary information regarding these students in order to provide educational services. Under G.S. 115C-12(44), SBE, in collaboration with DHHS, will oversee the new framework, and SBE will ensure that a child with a disability in a PRTF receives educational services and procedural safeguards under Article 9 (“Education of Children with Disabilities”) of Chapter 115C. PRTFs are responsible for meeting the requirements under Article 9 of Chapter 115C for children with disabilities in their private facilities. See G.S. 122C-450.1.

DHHS holds the licensing authority over PRTFs and, as a condition for licensure, PRTFs must maintain a facility-based school meeting all requirements of a qualified nonpublic school and a Nonpublic Exceptional Children’s Program under state law. Qualified PRTFs may enter into “educational services contracts” with LEAs to assist in the delivery of such services, and must report the same to DPI and DHHS. State funds are appropriated to DPI to be transferred to DHHS, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services
and ultimately allocated to the authorized PRTFs. Disbursement of funding ceases if a PRTF is not providing educational services as required by state law. PRTFs must comply with all audit and accounting policies applicable to other entities receiving public funding.

When a child is admitted to a PRTF, the PRTF must notify both DPI and the LEA where the child was last enrolled within 3 business days. Special timelines of required communication between PRTFs, LEAs and DPI are provided under new subsection G.S. 122C-450.2 (“Information sharing”) in order to streamline educational services for children transitioning into PRTFs and then back to LEAs. SBE/DPI must also provide the following technical assistance and monitoring:

1. Offer training to PRTFs on compliance with special education laws and regulations;
2. Maintain a current list of children in PRTFs; and
3. Develop rules to monitor the delivery of educational services in PRTFs, while DHHS enforces applicable PRTF licensing requirements.

Finally, DHHS and DPI, in collaboration with other interested agencies, must submit an annual report to the General Assembly on the delivery of educational services in PRTFs by January 15.

8.40 Allow Continued Transfer of Funds from Special Education Tax Credits
Carries forward any remaining balance from the Fund for Special Education and Related Services (formerly a Special Education Tax Credit program) for future appropriations. This program was converted into the Special Education Scholarships for Children with Disabilities in 2013 and revised this year. See HB 712 (S.L. 2014-49).

8.41 Differentiated Pay for Highly Effective Teachers
It is the intent of the General Assembly “to provide local boards of education additional State funds for local programs to provide differentiated pay for highly effective classroom teachers” through the $1 million appropriated from the newly created NC Education Endowment Fund. See 8.11 above. Local boards are required to submit differentiated pay proposals for classroom teachers and Title I school instructional coaches to the Senate Appropriations/Base Budget Committee, the House Committee on Appropriations, and the JLEOC by January 15, 2015. Proposals may include the following types of differentiated pay:

- Performance-based salary increases for classroom teachers rated highly effective on the North Carolina Teacher Evaluation instrument based on successful performance relative to classroom instruction and student academic growth.
- Differentiated bonuses for classroom teachers, including:
  - Hard-to-staff subject areas, such as science, technology, engineering, and mathematics (STEM) education and exceptional children.
  - Hard-to-staff schools.
  - Assignment of additional academic responsibilities and leadership roles.
  - Assignment as an instructional coach.

Proposals must limit eligibility for differentiated pay to classroom teachers and Title I school instructional coaches. A classroom teacher is defined as one who is employed as a teacher who spends at least seventy percent (70%) of work time in classroom instruction and is not employed as instructional support personnel.
PART 9: COMPENSATION OF PUBLIC SCHOOL EMPLOYEES

9.1 Teacher Salary Schedule
A new salary schedule for teachers and instructional support personnel is established, removing the previous schedule with 37 steps and replacing it with 6 bands:

<table>
<thead>
<tr>
<th>Years of Experience</th>
<th>Monthly Salary (10-months)</th>
<th>Annual Salary</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-4</td>
<td>$3,300</td>
<td>$33,000</td>
</tr>
<tr>
<td>5-9</td>
<td>$3,650</td>
<td>$36,500</td>
</tr>
<tr>
<td>10-14</td>
<td>$4,000</td>
<td>$40,000</td>
</tr>
<tr>
<td>15-19</td>
<td>$4,350</td>
<td>$43,500</td>
</tr>
<tr>
<td>20-24</td>
<td>$4,650</td>
<td>$46,500</td>
</tr>
<tr>
<td>25+</td>
<td>$5,000</td>
<td>$50,000</td>
</tr>
</tbody>
</table>

Salary Supplements are available to teachers paid on this schedule, as follows:
- Licensed teachers who have NBPTS certification receive a salary supplement of 12% of their salary on the "A" salary schedule (previously, the 12% NBPTS supplement was calculated based on the Master's schedule). See 9.1(b)(1) of the Budget.
- Licensed teachers classified as "M" teachers receive a salary supplement of 10% of their salary on the "A" salary schedule.
- Licensed teachers with licensure based on academic preparation at the six-year degree level receive a salary supplement of $126.00 per month in addition to the supplement provided as "M" teachers.
- Licensed teachers with licensure based on academic preparation at the doctoral degree level receive a salary supplement of $253.00 per month in addition to the supplement provided as "M" teachers.
- Certified school nurses receive a salary supplement of 10% of their salary on the "A" salary schedule.

The first step of the salary schedule for school psychologists, school speech pathologists who are licensed as speech pathologists at the master's degree level or higher, and school audiologists who are licensed as audiologists at the master's degree level or higher shall be equivalent to Step 5 of the "A" salary schedule. These employees shall receive a salary supplement each month of 10% of their monthly salary and are eligible to receive salary supplements equivalent to those of teachers for academic preparation at the six-year degree level or the doctoral degree level.

In lieu of providing an annual longevity payment to teachers, the amount of the longevity payment is built into this new salary schedule. No separate payments will be made for longevity earned after July 1, 2014. For teachers who earned longevity in FY 2013-14, it will be paid on a prorated basis in FY 2014-15 where applicable.
A teacher compensated on this schedule will receive whichever is greater: 1) the applicable amount on the new salary schedule, or 2) the sum of the 2013-14 salary plus the 2013-14 longevity payment. For those teachers in the latter category, they also receive a $1,000 bonus. No teachers will be paid less in State funds in 2014-15.

9.11 School-Based Administrator Salary Schedule
Administrators’ schedules are not tied to the teachers’ salary schedule; new salary schedules are established for principals and assistant principals for FY 2014-15. An average 2% salary increase is provided for principals and assistant principals through various changes and step increases to the pay schedule.

Principals will no longer be awarded one additional year of experience for every 3 years of principal experience, unless it was earned before June 30, 2009. Any principal or assistant principal employed in the 2013-14 school year and employed on July 1, 2014, who does not receive a salary increase, will receive a bonus of $809 plus benefits (e.g., top of the scale or below the threshold). School-based administrators will continue to receive longevity pay and applicable education-based salary supplements.

The policies and procedures shall:
... (5) Provide for adequate oversight and monitoring to prevent the misuse of grant funds. These policies shall require each grantee and subgrantee to ensure that, for accounting purposes, State funds and interest earned on those funds remain separate and apart from other funds in the possession or control of the grantee or subgrantee.

... (12) Provide procedures for the recovery and return to the grantor State agency of unexpended grant funds from a grantee or subgrantee as (i) in accordance with subsection (f1) of this section or (ii) in the event that the grantee or subgrantee is unable to fulfill the purposes of the grant for a reason not set forth in that subsection.

(2) The funds remain unexpended at the time that the grantee or subgrantee dissolves, ceases operations, or otherwise indicates that it does not intend to spend the funds.
(3) The Office of State Budget and Management seeks to recover the funds pursuant to subsection (f) of this act.

(f2) Use of Returned Grant Funds. – Encumbered funds returned to the State pursuant to subsection (f1) of this section by a grantee or subgrantee shall upon appropriation by the General Assembly be spent in accordance with the terms of the encumbrance. All other funds returned to the State by a grantee or subgrantee pursuant to subsection (f1) of this section shall be credited to the fund from which they were appropriated and shall remain unexpended and unencumbered until appropriated by the General Assembly. Nothing in this section shall be construed to authorize an expenditure pursuant to an unlawful encumbrance or in a manner that would violate the terms of the appropriation of the grant funds at issue.

... (j) Use of Interest Earned on Grant Funds. – Except as otherwise required by federal law or the terms of a federal grant, interest earned on grant funds after receipt of the funds by a grantee or subgrantee shall be credited to the grantee or subgrantee and shall be used for the same purposes for which the grant or subgrant was made.

This term includes settlement agreements, stipulation agreements, consent judgments, and consent decrees.

c. An attorney awarded attorneys' fees for representing (i) a party under sub-subdivision a. of this subdivision or (ii) a consumer under sub-subdivision b. of this subdivision.

(e) Overrealized Receipts. – Any provision of law authorizing the expenditure of overrealized receipts shall not apply to the funds referred to in subdivision (1) of subsection (b) of this section unless the language of the law specifically references this section or specifically
references funds received by the State or a State agency from a settlement or other final order or judgment of the court.

(f) Required Disposition. – If the terms of a federal grant, another provision of State or federal law, or the State Constitution require a specific disposition of funds received from a settlement or other final order or judgment of the court, nothing in this section shall be construed to supersede, or authorize a deviation from, that specific disposition. Furthermore, nothing in this subsection shall be construed to abrogate the requirement that funds drawn from the State treasury be in consequence of appropriations made by law.

4. Whether the practices examined pursuant to subdivision (1) of this section comply with applicable standards of the Governmental Accounting Standards Board.

SECTION 6.7.(c) Pilot Program. – The Office of State Budget and Management and the Office of the State Controller, in consultation with the Fiscal Research Division, may establish and operate a pilot program to test measures for improving the extent to which funds that are to be spent in a given fiscal year are properly budgeted in that fiscal year. The pilot program may be subject to the following:

1. The pilot program may include the following programs and funds:
a. Some or all of the grant programs and special funds within the Department of Environment and Natural Resources.

b. Some or all of the unexpended appropriations carried forward by The University of North Carolina pursuant to G.S. 116-30.3.

c. Any other programs and funds that are deemed to be suitable for inclusion in the pilot program.

(2) Funds and programs that are included in the pilot program may be subject to the following requirements:

a. An alternative liquidation period for encumbered funds that do not revert at the end of the 2014-2015 fiscal year under G.S. 143C-1-2(b).

b. A requirement (i) that The University of North Carolina prepare an estimate of the amount of funds it anticipates will be carried forward into the 2015-2016 fiscal year pursuant to G.S. 116-30.3 and (ii) that this estimate be submitted to the Office of State Budget and Management and to the Fiscal Research Division no later than March 1, 2015.

SECTION 6.7.(d) Report. – No later than October 1, 2015, the Office of State Budget and Management and the Office of the State Controller, in consultation with the Fiscal Research Division, shall report the results of the review and pilot program required by this section to the chairs of the Senate Appropriations/Base Budget Committee, to the chairs of the House Appropriations Committee, and to the Director of the Budget. The report may include a recommendation to extend the pilot program for an additional fiscal year, if this is deemed desirable.

SECTION 6.7.(e) Recommendations for an Alternative Pilot Program. – If the Office of State Budget and Management and the Office of the State Controller, in consultation with the General Assembly's Fiscal Research Division, determine that the pilot program required by this section cannot be implemented, they shall report the reasons for reaching this conclusion, along with any other findings and recommendations for future action, to the chairs of the Senate Appropriations/Base Budget Committee, to the chairs of the House Appropriations Committee, and to the Director of the Budget no later than February 1, 2015. "SECTION 6.1. For the 2013-2015 fiscal biennium and notwithstanding the provisions of G.S. 143C-4-4(b), funds appropriated to the Contingency and Emergency Fund may be used only for expenditures required (i) by a court or Industrial Commission order, (ii) to respond to events as authorized under G.S. 166A-19.40(a) of the North Carolina Emergency Management Act, (iii) by the State Treasurer to pay death benefits as authorized under Article 12A of Chapter 143 of the General Statutes, (iv) by the Office of the Governor for crime rewards in accordance with G.S. 15-53 and G.S. 15-53.1, (v) by the Industrial Commission for supplemental awards of compensation, or (vi) by the Department of Justice for legal fees, or (vii) for litigation expenses incurred by State agencies in defense of the State during the 2014-2015 fiscal year, in an amount not to exceed seven hundred fifty thousand dollars ($750,000), as approved by the Office of State Budget and Management.

These funds shall not be used for other statutorily authorized purposes or for any other contingencies and emergencies."

DEPARTMENT OF ADMINISTRATION/EUGENICS PROGRAM AMENDMENTS

SECTION 6.13.(a) G.S. 143B-426.51 reads as rewritten:

"§ 143B-426.51. Compensation payments.

(a) A claimant determined to be a qualified recipient under this Part shall receive lump-sum compensation in the amount determined by this subsection from funds appropriated to the Department of State Treasurer for these purposes. Except as provided by the succeeding
sentence, the amount of compensation for each qualified recipient is the sum of ten million
dollars ($10,000,000) divided by the total number of qualified recipients, and all such payments
shall be made on June 30, 2015. The State Treasurer shall reduce the ten million dollars
($10,000,000) by holding out a pro-rata amount per claimant for any cases in which there has not
been a final determination of the claim on June 30, 2015. Payments made to persons determined
to be qualified claimants after that date shall be made upon such determination, and if after final
adjudication of all claims there remains a balance from the funds held out, they shall be paid
pro-rata to all qualified claimants. A qualified recipient shall receive compensation in the form
of two payments. By October 31, 2014, claimants determined by the Commission to be qualified
recipients shall receive an initial payment as provided by this section. Claimants determined to
be qualified recipients after that date shall receive an initial payment within 60 days of the
Commission's determination. A second and final payment shall be made after the exhaustion of
all appeals arising from the denial of eligibility for compensation under this Part.

The initial payment to each qualified recipient will be calculated by adding together the
number of qualified recipients as of October 1, 2014, and the number of claims outstanding that
are pending, then dividing that total number into the sum of ten million dollars ($10,000,000).
The initial payment checks shall be remitted by October 31, 2014.

The final payment calculation will be made by taking the balance of compensation funds
remaining after the exhaustion of appeals and dividing that sum equally between the number of
qualified recipients determined finally to be eligible to receive compensation. The final payment
checks shall be remitted within 90 days of the exhaustion of the last appeal. Any qualified
claimant who was successful on appeal and who did not receive an initial payment shall be paid
an amount equal to the initial payment amount, plus the amount from the final payment
calculation.

The Office and the State Controller shall collaborate to facilitate the administration of this
section so as to effectuate the compensation of qualified recipients as soon as practicable.

(b) If any claimant shall die during the pendency of a claim, or after being determined to
be a qualified recipient, any payment shall be made to the estate of the decedent.

(c) A qualified recipient may assign compensation received pursuant to subsection (a) of
this section to a trust established for the benefit of the qualified recipient.

(d) It is the public policy of this State that funds awarded for the compensation of
sterilization victims under this Part may be used only for the purpose of benefiting victims and
shall not be used to pay attorneys' fees arising from representation at the Office, before the
Commission, or on appeal. The General Assembly finds that qualified recipients have suffered a
unique harm that calls for a unique remedy and that there are sufficient sources of assistance and
pro bono legal representation available to protect their interests. Therefore, any agreement for the
acceptance of attorneys' fees is null and void unless counsel has sought and received an opinion
from the North Carolina State Bar that the fee arrangement is reasonable under the Rules of
Professional Conduct.

(e) All missing claim information must be postmarked to, or received by, the Office by
September 23, 2014, in order to be considered.

(f) By September 30, 2014, the Office shall submit all remaining claim forms to the
Commission for appropriate disposition in accordance with this Part."

SECTION 6.13(b) G.S. 143B-426.52(a) reads as rewritten:

"(a) An individual shall be entitled to compensation as provided for in this Part if a claim
is submitted on behalf of that individual in accordance with this Part Part, or is mailed and
postmarked, on or before June 30, 2014, and that individual is subsequently determined by a
preponderance of the evidence to be a qualified recipient, except that any competent adult who
gave consent is not a qualified recipient unless that individual can show by a preponderance of the evidence that the consent was not informed."

SECTION 6.13.(c) G.S. 143B-426.53(g) reads as rewritten:

"(g) If at any stage of the proceedings the claimant is determined to be a qualified recipient, the Commission shall give notice to the claimant and to the Office of the State Treasurer, and the State Treasurer, Justice for Sterilization Victims and to the Office of State Controller. The Office of State Controller shall make payment of compensation to the qualified recipient or

SECTION 6.13.(d) Of the funds appropriated from the General Fund to the Office of Justice for Sterilization Victims, Department of Administration, the sum of one hundred thirty thousand dollars ($130,000) shall be used for the 2014-2015 fiscal year to pay the costs of administering the compensation program for sterilization victims.

SECTION 6.13.(e) Section 6.18(g) of S.L. 2013-360 reads as rewritten:

"SECTION 6.18.(g) Subsection (b) of this section becomes effective for taxable years beginning on or after January 1, 2015. Subsections (e) and (g) of this section are effective when this act becomes law. The remainder of this section becomes effective July 1, 2013. Except for the provisions of subsections (b) and (e) of this section, and the final adjudication of any claims under subsection (a) of this section that are pending on June 30, 2015, this section expires June 30, 2015. and the Office of Justice for Sterilization Victims is abolished."

SECTION 6.13.(f) G.S. 108A-70.5 is amended by adding a new subsection to read:

"(f) With regard to any recipient who has received compensation pursuant to Part 30 of Article 9 of Chapter 143B of the General Statutes, the Department shall reduce the amount of any recovery it seeks from the deceased recipient's estate under this section by the amount of the resource disregard provided for in G.S. 143B-426.56(b)(1)."

USE OF CASH BALANCES TO MEET TEMPORARY CASH NEEDS

SECTION 6.14. G.S. 147-86.11(e) is amended by adding a new subdivision to read:

"(7) The State Controller may use cash reserved to the Savings Reserve Account and cash from other funds, including special funds, that is not needed temporarily to meet the cash flow needs of the General Fund, but only to the extent that this authority can be used without jeopardizing the ability of reserves or funds, including special funds, to meet their ongoing obligations. Any cash transferred from reserves or funds, including special funds, shall be fully restored by the end of the fiscal year in which the funds were transferred, and interest shall be paid on all cash transferred to the General Fund pursuant to this subdivision from interest-bearing accounts."

(b) The Department shall furnish a copy of the recipient check register monthly to each county auditor showing a complete list of all recipients of Work First Family Assistance in Standard Program Counties and State-County Special Assistance, their addresses, and the amounts of the monthly grants. An Electing County whose checks are not being issued by the State shall furnish a copy of the recipient check register monthly to its county auditor showing a complete list of all recipients of Work First Family Assistance in the Electing County, their addresses, and the amounts of the monthly payments. These registers shall be public records open to public inspection during the regular office hours of the county auditor, but the registers or the information contained therein may not be used for any commercial or political purpose. Any violation of this section shall constitute a Class 1 misdemeanor.

(b1) The Department may share confidential information concerning a person receiving public assistance or social services with a local school administrative unit and with the Department of Public Instruction. Disclosure is limited to that information necessary to establish, coordinate, or maintain appropriate educational services for the person receiving public assistance or social services.

(c) Any listing of recipients of benefits under any public assistance or social services program compiled by or used for official purposes by a county board of social services or a county department of social services shall not be used as a mailing list for political purposes. This prohibition shall apply to any list of recipients of benefits of any federal, State, county or mixed public assistance or social services program. Further, this prohibition shall apply to the use of such listing by any person, organization, corporation, or business, including but not limited to public officers or employees of federal, State, county, or other local governments, as a mailing list for political purposes. Any violation of this section shall be punishable as a Class 1 misdemeanor.

(d) The Social Services Commission may adopt rules governing access to case files for social services and public assistance programs, except the Medical Assistance Program. The Secretary of the Department of Health and Human Services shall have the authority to adopt rules governing access to medical assistance case files."

SECTION 8.39.(b) G.S. 115C-12 is amended by adding a new subdivision to read:

"(44) Duty to Ensure Educational Services in Private Psychiatric Residential Treatment Facilities (PRTFs). – The Board, in collaboration with the Department of Health and Human Services, shall ensure that educational services are provided to all students in PRTFs as required under Part 4 of Article 6 of Chapter 122C of the General Statutes. The Board shall ensure that a child with a disability as defined under G.S. 115C-106.3(1) in a PRTF receives educational services and procedural safeguards as provided in Article 9 of this Chapter."

SECTION 8.39.(c) G.S. 122C-23.1 reads as rewritten:

"§ 122C-23.1. Licensure of residential treatment facilities.
(a) The General Assembly finds:
(1) That much of the care for residential treatment facility residents is paid by the State and the counties;
(2) That the cost to the State for care for residents of residential treatment facilities is substantial, and high vacancy rates in residential treatment facilities further increase the cost of care;"
(3) That the proliferation of residential treatment facilities results in costly
duplication and underuse of facilities and may result in lower quality service;

(4) There is currently no ongoing relationship between some applicants for
licensure and local management entities (LMEs) that are responsible for the
placement of children and adults in residential treatment facilities; and

(5) That it is necessary to protect the general welfare and lives, health, and
property of the people of the State for the local management entity (LME) to
verify that additional beds are needed in the LME's catchment area before new
residential treatment facilities are licensed. This process is established to
ensure that unnecessary costs to the State do not result, residential treatment
facility beds are available where needed, and that individuals who need care in
residential treatment facilities may have access to quality care.

Based on these findings, the Department of Health and Human Services may license new
residential treatment facilities if the applicant for licensure submits with the application a letter
of support obtained from the local management entity in whose catchment area the facility will
be located. The letter of support shall be submitted to the Department of Health and Human
Services, Division of Health Service Regulation and Division of Mental Health, Developmental
Disabilities, and Substance Abuse Services, and shall specify the number of existing beds in the
same type of facility in the catchment area and the projected need for additional beds of the same
type of facility.

(b) All private psychiatric residential treatment facilities (PRTFs), as defined in
G.S. 122C-450(a)(3), that serve children eligible to attend the public schools in accordance with
G.S. 115C-366, including a student who has been suspended or expelled but otherwise meets the
requirements of that statute, shall have a facility-based school as a condition of licensure. Subject
to the time limits of subsection (c) of this section, the school shall meet all the requirements of a
qualified nonpublic school under Article 39 of Chapter 115C of the General Statutes and of a
Nonpublic Exceptional Children's Program as defined in G.S. 122C-450(a)(2). The requirements
of this subsection and subsection (c) of this section do not apply to PRTFs that are approved
charter schools pursuant to Part 6A of Article 16 of Chapter 115C of the General Statutes.

(c) The Department of Health and Human Services may issue an initial license to a
PRTF that meets all licensure requirements except for the approval of the facility-based school as
a Nonpublic Exceptional Children's Program by the Department of Public Instruction. This initial
license is valid for a period of six months, during which time the PRTF shall obtain approval of
its facility-based school as a Nonpublic Exceptional Children's Program by the Department of
Public Instruction. If such approval is not obtained before the expiration of the initial license, the
Department of Health and Human Services shall review the PRTF's license for appropriate
action. If the PRTF obtains approval as a Nonpublic Exceptional Children's Program, the
Department of Health and Human Services may issue a license for the remainder of the calendar
year, and the facility is eligible for annual renewal thereafter.

(d) At any time upon receipt of a written notice from the Department of Public
Instruction that a PRTF has not provided or is not providing educational services, or is not
reasonably cooperating with the Department of Public Instruction to ensure those services are
provided and that compliance with State and federal law is assured, the Department of Health
and Human Services shall review the PRTF's license for appropriate action. The Department of
Health and Human Services may issue sanctions including (i) requiring a refund of all State
funds disbursed for the provision of educational services for the current fiscal year, (ii) barring
future funding for the provision of educational services for the current or following year, or (iii)
suspending or revoking the PRTF's license.

65
(e) As used in this subsection, "residential treatment facility" means a "residential facility" as defined in and licensed under this Chapter, but not subject to Certificate of Need requirements under Article 9 of Chapter 131E of the General Statutes."

SECTION 8.39.(d) G.S. 122C-55 is amended by adding a new subsection to read:

"(g2) Whenever there is reason to believe that the client is eligible for educational services through a governmental agency, a facility shall disclose client identifying information to the Department of Public Instruction. Disclosure is limited to that information necessary to establish, coordinate, or maintain educational services. The Department of Public Instruction may further disclose client identifying information to a local school administrative unit as necessary."

SECTION 8.39.(e) Article 6 of Chapter 122C of the General Statutes is amended by adding a new Part to read:

§ 122C-450. Definitions.

(a) The following definitions apply in this Part:

(1) "Educational services" means appropriate education-related assessment and instruction provided to any child residing in a private psychiatric residential treatment facility, including special education and related services to a child with a disability as defined in G.S. 115C-106.3(1). An education-related assessment includes the determination of need for special education and related services.

(2) "Nonpublic Exceptional Children's Program" means a facility-based school that meets all of the following criteria:

a. Provides at least one teacher for every 14 students. The PRTF shall report exceptions to this requirement to (i) the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (MH/DD/SAS) to request additional funding for educational services as provided under G.S. 122C-450.1(d) to the extent that funds are available and, if funds are not available, (ii) the Department of Public Instruction to request a waiver from this requirement.

b. Provides at least one teacher with a North Carolina Professional Educator license in special education, if there is a child with a disability as defined in G.S. 115C-106.3(1) residing in the PRTF.

c. Registers with the Department of Administration, Division of Nonpublic Schools, under Article 39 of Chapter 115C of the General Statutes.

d. Has been approved by the Department of Public Instruction to provide educational services as promulgated by the rules adopted by the State Board of Education pursuant to the Administrative Procedures Act.

(3) "Private psychiatric residential treatment facility" (PRTF) means a facility, other than a hospital, that provides psychiatric and other behavioral health services as described in Subpart D of C.F.R. Part 441 of Chapter 42 to individuals under age 21 in an inpatient setting licensed by the Department of Health and Human Services as provided under Chapter 122C of the General Statutes. A PRTF does not include a State-operated facility.

§ 122C-450.1. Eligibility and allocations.

(a) A child who is receiving psychiatric and other behavioral health services in a PRTF shall also receive educational services in accordance with federal and State law, if the child is eligible to enroll in public schools as provided in G.S. 115C-366, including a student who has been suspended or expelled but otherwise meets the requirements of that statute. For a child with
a disability, as defined in G.S. 115C-106.3(1), who has been placed in a PRTF, all educational services shall meet applicable standards as required under Article 9 of Chapter 115C of the General Statutes.

(b) A PRTF shall be qualified to receive a funding allocation, to the extent that funds are available from the Department of Health and Human Services, to provide educational services if the following conditions are met:

1. The PRTF is licensed by the Department of Health and Human Services pursuant to Chapter 122C of the General Statutes and has a facility-based school approved by the Department of Public Instruction as a Nonpublic Exceptional Children's Program.

2. The PRTF documents deviations from educational and other programmatic requirements when it is medically necessary for a resident in accordance with G.S. 122C-62(e).

(c) A PRTF that meets the qualification standards required in subsection (b) of this section may enter into an educational services contract, to the extent that funds are available, with a local school administrative unit to assist in the delivery of educational services to the children in the PRTF. The contract shall clearly define the education-related assessment, instruction, and legal responsibilities of both parties engaging in the educational services contract. A PRTF entering into an educational services contract with a local school administrative unit shall submit the educational services contract to both the Department of Public Instruction and the Department of Health and Human Services for inclusion in any required reports to the General Assembly regarding the provision of educational services to children in PRTFs.

(d) To the extent that funds are available in the Department of Public Instruction for the delivery of educational services in PRTFs as provided in this Part, those funds shall be transferred to the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (DMH/DD/SAS). The funds transferred for the purchase of educational services within the PRTF shall not be allocated to LME/MCOs but shall be held in reserve at the DMH/DD/SAS. The DMH/DD/SAS shall use the reserve funds to pay for educational services authorized by the Department of Public Instruction and billed by the PRTFs in a process established by the DMH/DD/SAS. The funds transferred to the DMH/DD/SAS pursuant to this section shall be allocated to the PRTFs for educational services in a manner determined by the Department of Health and Human Services and the Department of Public Instruction in a Memorandum of Understanding or a Memorandum of Agreement. The Department of Health and Human Services shall disburse for these purposes only those funds transferred from the Department of Public Instruction.

(e) The Department of Health and Human Services shall cease disbursement of educational funding to a PRTF upon receipt of a written notice from the Department of Public Instruction that educational services have not been provided. Educational funding disbursement shall be reinstated by the Department of Health and Human Services upon written notice from the Department of Public Instruction that the PRTF is providing educational services.

(f) A PRTF that receives educational funding shall comply with all audit and accounting policies applicable to other public and private entities receiving public funding.

"§ 122C-450.2. Information sharing.

(a) Within three business days of admitting a child into a PRTF, the admitting PRTF shall notify (i) the Department of Public Instruction and (ii) the local school administrative unit in which the child was last enrolled, if known. The PRTF shall request a copy of the child's most current Individualized Education Program and any other available documents related to the provision of appropriate educational services from the local school administrative unit. To the
extent practicable, the local school administrative unit shall provide this information within three business days of receiving a request made pursuant to this subsection. Upon withdrawal or discharge of a child, the PRF shall notify the Department of Public Instruction within three business days of such withdrawal or discharge.

(b) The PRF and the receiving local school administrative unit shall work together to develop a transition plan, including a revised Individualized Education Program, if necessary, to be implemented upon discharge of the child residing in a PRF.

"§ 122C-450.3. Technical assistance and monitoring.

The State Board of Education and the Department of Public Instruction shall (i) offer training to PRFs on compliance with special education laws and regulations, (ii) maintain a current list of names of children residing in PRFs along with the name and contact information of the PRF in which each child resides, and (iii) develop and implement rules to monitor the delivery of educational services in PRFs, including a process to inform the Department of Health and Human Services when services are not being provided. The Department of Health and Human Services shall appropriately enforce applicable licensing requirements as provided under G.S. 122C-23.1.

"§ 122C-450.4. Reporting requirement.

The Department of Health and Human Services and the Department of Public Instruction, in collaboration with other interested agencies, shall submit, by January 15 of each year, a joint report to the Joint Legislative Education Oversight Committee and to the Joint Legislative Oversight Committee on Health and Human Services on the delivery of educational services in PRFs, including (i) the annual number of children by age residing in a PRF both with and without an Individualized Education Program, (ii) the average length of stay of these children, (iii) the types of educational services, including number of hours each type of service has been provided, (iv) the costs and outcomes of providing educational services, and (v) recommendations for improving the efficiency and effectiveness of delivering educational services to children residing in PRFs."

SECTION 8.39.(f) As of the effective date of this act, PRFs that are licensed to serve children eligible to enroll in public schools as provided in G.S. 115C-366, including a student who has been suspended or expelled but otherwise meets the requirements of that statute, shall have six months after their next annual renewal to obtain approval of their facility-based school by the Department of Public Instruction as a Nonpublic Exceptional Children's Program. If such approval is not obtained before the expiration of the additional six months, the Department of Health and Human Services shall review the PRF's license for appropriate action. This subsection does not apply to PRFs that are approved charter schools pursuant to Part 6A of Article 16 of Chapter 115C of the General Statutes.

SECTION 8.39.(g) The State Board of Education shall adopt emergency rules pursuant to G.S. 150B-21.1A to monitor the delivery of educational services in PRFs, including a process to inform the Department of Health and Human Services when services are not being provided.

SECTION 8.39.(h) The Department of Health and Human Services and the Department of Public Instruction, in collaboration with other interested agencies, shall submit its initial joint report, as required by G.S. 122C-450.4, to the Joint Legislative Education Oversight Committee and to the Joint Legislative Oversight Committee on Health and Human Services by January 15, 2015.

SECTION 8.39.(i) In accordance with G.S. 122C-450.1(d), as enacted by this act, the Department of Public Instruction shall transfer the funds provided for in this act for the purchase of educational services within PRFs pursuant to this section to the Department of
Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (DMH/DD/SAS).

SECTION 8.39.(j) The Department of Public Instruction shall process all applications submitted by PRTFs on or before September 1, 2014, for approval as a Nonpublic Exceptional Children's Program no later than December 1, 2014.

ALLOW CONTINUED TRANSFER OF FUNDS FROM SPECIAL EDUCATION TAX CREDITS

SECTION 8.40. Section 6(b) of S.L. 2013-364 reads as rewritten:

SECTION 18B.16.(a) Article 26A of Chapter 1 of the General Statutes reads as rewritten:

"Article 26A.

"Three-Judge Panel for Redistricting Challenges and for Certain Challenges to State Laws.

"§ 1-267.1. Three-judge panel for actions challenging plans apportioning or redistricting State legislative or congressional districts; claims challenging the facial validity of an act of the General Assembly.

(a) Any action challenging the validity of any act of the General Assembly that apportions or redistricts State legislative or congressional districts shall be filed in the Superior Court of Wake County and shall be heard and determined by a three-judge panel of the Superior Court of Wake County organized as provided by subsection (b) of this section.

(a1) Except as otherwise provided in subsection (a) of this section, any facial challenge to the validity of an act of the General Assembly shall be transferred pursuant to G.S. 1A-1, Rule 42(b)(4), to the Superior Court of Wake County and shall be heard and determined by a three-judge panel of the Superior Court of Wake County, organized as provided by subsection (b2) of this section.

(b) Whenever any person files in the Superior Court of Wake County any action challenging the validity of any act of the General Assembly that apportions or redistricts State legislative or congressional districts, a copy of the complaint shall be served upon the senior resident superior court judge of Wake County, who shall be the presiding judge of the three-judge panel required by subsection (a) of this section. Upon receipt of that complaint, the senior resident superior court judge of Wake County shall notify the Chief Justice, who shall appoint two additional resident superior court judges to the three-judge panel of the Superior Court of Wake County to hear and determine the action. Before making those appointments, the Chief Justice shall consult with the North Carolina Conference of Superior Court Judges, which shall provide the Chief Justice with a list of recommended appointments. To ensure that members of the three-judge panel are drawn from different regions of the State, the Chief Justice shall appoint to the three-judge panel one resident superior court judge from the First through Fourth Judicial Divisions and one resident superior court judge from the Fifth through Eighth Judicial Divisions. In order to ensure fairness, to avoid the appearance of impropriety, and to avoid political bias, no member of the panel, including the senior resident superior court judge of Wake County, may be a former member of the General Assembly. Should the senior resident superior court judge of Wake County be disqualified or otherwise unable to serve on the
three-judge panel, the Chief Justice shall appoint another resident superior court judge of Wake County as the presiding judge of the three-judge panel. Should any other member of the three-judge panel be disqualified or otherwise unable to serve on the three-judge panel, the Chief Justice shall appoint as a replacement another resident superior court judge from the same group of judicial divisions as the resident superior court judge being replaced.

(b1) Any facial challenge to the validity of an act of the General Assembly filed in the Superior Court of Wake County, other than a challenge to plans apportioning or redistricting State legislative or congressional districts that shall be heard pursuant to subsection (b) of this section, or any claim transferred to the Superior Court of Wake County pursuant to subsection (a1) of this section, shall be assigned by the senior resident Superior Court Judge of Wake County to a three-judge panel established pursuant to subsection (b2) of this section.

(b2) For each challenge to the validity of statutes and acts subject to subsection (a1) of this section, the Chief Justice of the Supreme Court shall appoint three resident superior court judges to a three-judge panel of the Superior Court of Wake County to hear the challenge. The Chief Justice shall appoint a presiding judge of each three-judge panel. To ensure that members of each three-judge panel are drawn from different regions of the State, the Chief Justice shall appoint to each three-judge panel one resident superior court judge from the First, Second, or Fourth Judicial Division, one resident superior court judge from the Seventh or Eighth Judicial Division, and one resident superior court judge from the Third, Fifth, or Sixth Judicial Division. Should any member of a three-judge panel be disqualified or otherwise unable to serve on the three-judge panel or be removed from the panel at the discretion of the Chief Justice, the Chief Justice shall appoint as a replacement another resident superior court judge from the same group of judicial divisions as the resident superior court judge being replaced.

(c) No order or judgment shall be entered affecting the validity of any act of the General Assembly that apportions or redistricts State legislative or congressional districts. If the General Assembly finds that an act of the General Assembly is facially invalid on the basis that the act violates the North Carolina Constitution or federal law, except by the three-judge panel of the Superior Court of Wake County organized as provided by subsection (b) or subsection (b2) of this section. In the event of disagreement among the three resident superior court judges comprising the three-judge panel, then the opinion of the majority shall prevail.

(d) This section applies only to civil proceedings. Nothing in this section shall be deemed to apply to criminal proceedings, to proceedings under Chapter 15A of the General Statutes, to proceedings making a collateral attack on any judgment entered in a criminal proceeding, or to appeals from orders of the trial courts pertaining to civil proceedings filed by a taxpayer pursuant to G.S. 105-241.17."

SECTION 18B.16(b) G.S. 1-81.1 reads as rewritten:

"§ 1-81.1. Venue in apportionment or redistricting cases: certain injunctive relief actions.

(a) Venue lies exclusively with the Wake County Superior Court in any action concerning any act of the General Assembly apportioning or redistricting State legislative or congressional districts.

(b1) Venue lies exclusively with the Wake County Superior Court with regard to any claim seeking an order or judgment of a court, either final or interlocutory, to restrain the enforcement, operation, or execution of an act of the General Assembly, in whole or in part, based upon an allegation that the act of the General Assembly is facially invalid on the basis that the act violates the North Carolina Constitution or federal law. Pursuant to G.S. 1-267.1(a1) and G.S. 1-1A, Rule 42(b)(4), claims described in this subsection that are filed or raised in courts other than Wake County Superior Court or that are filed in Wake County Superior Court shall be transferred to the Wake County Superior Court if, after all other

of law in the action have been resolved, a determination as to the facial validity of an act of the General Assembly must be made in order to completely resolve any issues in the case.

(b) Any action brought concerning an act of the General Assembly apportioning or redistricting the State legislative or congressional districts shall be filed in the Superior Court of Wake County."

SECTION 18B.16(c) G.S. 1A-1, Rule 42, reads as rewritten:
"Rule 42. Consolidation; separate trials.

(a) Consolidation. — Except as provided in subdivision (b)(2) of this section, when actions involving a common question of law or fact are pending in one division of the court, the judge may order a joint hearing or trial of any or all the matters in issue in the actions; he may order all the actions consolidated; and he may make such orders concerning proceedings therein as may tend to avoid unnecessary costs or delay. When actions involving a common question of law or fact are pending in both the superior and the district court of the same county, a judge of the superior court in which the action is pending may order all the actions consolidated, and he may make such orders concerning proceedings therein as may tend to avoid unnecessary costs or delay.

(b) Separate trials. —

(1) The court may in furtherance of convenience or to avoid prejudice and shall for considerations of venue upon timely motion order a separate trial of any claim, cross-claim, counterclaim, or third-party claim, or of any separate issue or of any number of claims, cross-claims, counterclaims, third-party claims, or issues.

(2) Upon motion of any party in an action that includes a claim commenced under Article 1G of Chapter 90 of the General Statutes involving a managed care entity as defined in G.S. 90-21.50, the court shall order separate discovery and a separate trial of any claim, cross-claim, counterclaim, or third-party claim against a physician or other medical provider.

(3) Upon motion of any party in an action in tort wherein the plaintiff seeks damages exceeding one hundred fifty thousand dollars ($150,000), the court shall order separate trials for the issue of liability and the issue of damages, unless the court for good cause shown orders a single trial. Evidence relating solely to compensatory damages shall not be admissible until the trier of fact has determined that the defendant is liable. The same trier of fact that tries the issues relating to liability shall try the issues relating to damages.

(4) Pursuant to G.S. 1-267.1, any facial challenge to the validity of an act of the General Assembly, other than a challenge to plans apportioning or redistricting State legislative or congressional districts, shall be heard by a three-judge panel in the Superior Court of Wake County if a claimant raises such a challenge in the claimant's complaint or amended complaint in any court in this State, or if such a challenge is raised by the defendant in the defendant's answer, responsive pleading, or within 30 days of filing the defendant's answer or responsive pleading. In that event, the court shall, on its own motion, transfer that portion of the action challenging the validity of the act of the General Assembly to the Superior Court of Wake County for resolution by a three-judge panel if, after all other matters in the action have been resolved, a determination as to the facial validity of an act of the General Assembly must be made in order to completely resolve any matters in the case. The court in which the action originated shall maintain jurisdiction over all matters other than the challenge to the act's facial validity and shall stay all
matters that are contingent upon the outcome of the challenge to the act’s facial validity pending a ruling on that challenge and until all appeal rights are exhausted. Once the three-judge panel has ruled and all appeal rights have been exhausted, the matter shall be transferred or remanded to the three-judge panel or the trial court in which the action originated for resolution of any outstanding matters, as appropriate."

SECTION 18B.16.(d) G.S. 1A-1, Rule 62, reads as rewritten:  

"Rule 62. Stay of proceedings to enforce a judgment.

(a) Automatic stay; exceptions – Injunctions and receiverships. – Except as otherwise stated herein, no execution shall issue upon a judgment nor shall proceedings be taken for its enforcement until the expiration of the time provided in the controlling statute or rule of appellate procedure for giving notice of appeal from the judgment. Unless otherwise ordered by the court, an interlocutory or final judgment in an action for an injunction or in a receivership action shall not be stayed during the period after its entry and until an appeal is taken or during the pendency of an appeal. The provisions of section (c) govern the suspending, modifying, restoring, or granting of an injunction during the pendency of an appeal.

(b) Stay on motion for new trial or for judgment. – In its discretion and on such conditions for the security of the adverse party as are proper, the court may stay the execution of or any proceedings to enforce a judgment pending the disposition of a motion for a new trial or to alter or amend a judgment made pursuant to Rule 59, or of a motion for relief from a judgment or order made pursuant to Rule 60, or of a motion for judgment made pursuant to Rule 50, or of a motion for amendment to the findings or for additional findings made pursuant to Rule 52(b). If the time provided in the controlling statute or rule of appellate procedure for giving notice of appeal from the judgment had not expired before a stay under this subsection was entered, that time shall begin to run immediately upon the expiration of any stay under this section, and no execution shall issue nor shall proceedings be taken for enforcement of the judgment until the expiration of that time.

(c) Injunction pending appeal. – When an appeal is taken from an interlocutory or final judgment granting, dissolving, or denying an injunction, the court in its discretion may suspend, modify, restore, or grant an injunction during the pendency of the appeal upon such terms as to bond or otherwise as it considers proper for the security of the rights of the adverse party.

(d) Stay upon appeal. – When an appeal is taken, the appellant may obtain a stay of execution, subject to the exceptions contained in section (a), by proceeding in accordance with and subject to the conditions of G.S. 1-289, G.S. 1-290, G.S. 1-291, G.S. 1-292, G.S. 1-293, G.S. 1-294, and G.S. 1-295.

When stay is had by giving supersedeas bond, the bond may be given at or after the time of filing the notice of appeal or of procuring the order allowing the appeal as the case may be, and stay is then effective when the supersedeas bond is approved by the court.

(e) Stay in favor of North Carolina, city, county, local board of education, or agency thereof. – When an appeal is taken by the State of North Carolina, or a city or a county thereof, a local board of education, or an officer in his official capacity or agency thereof or by direction of any department or agency of the State of North Carolina or a city or county thereof or a local board of education and the operation or enforcement of the judgment is stayed, no bond, obligation, or other security shall be required from the appellant.

(f) Power of appellate court not limited. – The provisions of this rule do not limit any power of an appellate court or of a judge or justice thereof to stay proceedings during the pendency of an appeal or to suspend, modify, restore, or grant an injunction during the pendency of an appeal or to make any order appropriate to preserve the status quo or the effectiveness of the judgment subsequently to be entered.
(g) Stay of judgment as to multiple claims or multiple parties. – When a court has ordered a final judgment under the conditions stated in Rule 54(b), the court may stay enforcement of that judgment until the entering of a subsequent judgment or judgments and may prescribe such conditions as are necessary to secure the benefit thereof to the party in whose favor the judgment is entered.

(h) Right to immediate interlocutory appeal of order granting or denying injunctive relief in as-applied constitutional challenge. – Notwithstanding any other provision of law, a party shall have the right of immediate appeal (i) from an adverse ruling by a trial court granting or denying interlocutory, temporary, or permanent injunctive or declaratory relief restraining the State or a political subdivision of the State from enforcing the operation or execution of an act of the General Assembly as applied against a party in a civil action or (ii) from an adverse ruling by a trial court denying a motion to stay an injunction restraining the State or a political subdivision of the State from enforcing the operation or execution of an act of the General Assembly as applied against a party in a civil action. This subsection only applies where the State or a political subdivision of the State is a party in the civil action. This subsection does not apply to facial challenges heard by a three-judge panel pursuant to G.S. 1-267.1.

SESSION LAW 2014-5
HB 230 Clarify Read to Achieve/School Performance Grades

Amends: G.S. 115C-83.3(2), -83.3(8), -83.3(9), -83.5(d), -83.7(b), -83.8, -83.9; Article 8 of Chapter 115C of the General Statutes by adding 115C-83.11; G.S. 115C-238.29F(d1); recodifies G.S. 115C-83.4A as G.S. 115C-174.26; 115C-83.15(b), (d).

Application/Effective Date: Effective when it became law, June 10, 2014.

Local Action Required: Adhere to new requirements under Read to Achieve for student reading portfolios, reading camps, good cause exemptions, and information sessions. Administer the developmental screening instrument as implemented by the SBE in schools enrolling kindergarten students. Option to apply for and obtain waivers for up to five additional days in order to administer final exams. Prepare for the issuance of A-F School Performance Grades (based on 2013-14 data) in 2015.

SBE/DPI Action Required: Under Read to Achieve, provide and approve local alternative assessments, establish achievement level ranges for each such approved assessment, annually review all such assessments to ensure validity and reliability, and, as set forth below, oversee further changes to the State law. Implement the developmental screening instrument and Kindergarten Entry Assessment (KEA). Calculate and disseminate the A-F School Performance Grades. Grant waivers for additional days for LEAs to administer final exams for the 2014-15 school year.

Summary: This law changed a number of pre-existing education laws, including Read to Achieve, A-F School Performance Grades and others, as follows:

Read to Achieve

1. Requires the SBE to approve and provide several valid and reliable alternative assessments to LEAs and set achievement level ranges for these assessments.
2. Reduces the minimum length of Reading Camps (formerly “Summer Reading Camps”) from six to three weeks, requiring a minimum 72 hours of reading instruction.
3. Revises the good cause exemption for students with disabilities to those whose IEPs indicate any one of the following:
   a. The use of NCEXTEND1 alternate assessment;
   b. At least a two school-year delay in educational performance; or
   c. Receipt of intensive reading interventions for at least two school years.
4. Specifies that Limited English Proficient students with less than two “school years” of English as a Second Language instruction are exempt from mandatory retention in third grade.
5. Allows flexibility for an LEA to develop its own student reading portfolio with approval from the SBE.
6. Student Reading Portfolios can begin to be compiled in the first half of the year (rather than waiting until the spring).

7. Portfolios can have one reading passage assess up to two standards (rather than the former law where one passage could assess only one standard). This can reduce the required reading passages.

8. Encourages (rather than requires) parents to enroll eligible children in Reading Camp.

9. Requires LEAs to provide at least one opportunity (e.g., alternative assessment or reading portfolio) for eligible students not participating in a Reading Camp to demonstrate third grade reading proficiency prior to retention.

10. For students who have demonstrated reading proficiency but still wish to attend Reading Camp, LEAs can charge up to $825 per student.

11. After the November 1 mid-year promotion deadline, principals can use their discretion under G.S. 115C-288(a) to grade and classify an eligible student demonstrating reading proficiency.

**A-F School Performance Grades**

1. The school achievement score employs a composite approach, applying the calculation based on the total number of students meeting standards over the total number of students included in all indicators. In this calculation, a school’s grade will not be disproportionately impacted by an indicator that has very few students (e.g., high schools with very few students participating in ACT WorkKeys).

2. If a school is meeting growth and the school’s growth score depresses the achievement score and resulting grade, then just the achievement score may be used to calculate total performance.

3. For the 2013-14 Grades only, the 10-point grading scale is changed to a 15-point scale, such that:
   a. 85-100 is an A;
   b. 70-84 is a B;
   c. 55-69 is a C;
   d. 40-54 is a D;
   e. Any score below 40 is an F.

4. Note: The budget bill revised the first issuance of these Grades from no earlier than August 1, 2014 to now “no earlier than January 15, 2015.” See Section 8.30 of SL 2014-100.

**Other**

1. Allows LEAs to apply for a waiver to the SBE to add five additional testing days for end-of-course and end-of-semester testing. LEAs must have applied for a waiver by September 1, 2014, and were notified by October 1, 2014, if the request for a waiver was granted.

**Kindergarten Entry Assessment (KEA)**

1. Revises G.S. 115C-83.5(d) to add that: (i) the KEA shall “yield both qualitative and quantitative data” in each of the five essential domains of school readiness; (ii) data obtained from the KEA shall be used in a longitudinal database; and (iii) the language and literacy component of the KEA may be used as a formative and diagnostic reading assessment.

2. Implements the developmental screening instrument (in literacy and mathematics) in 50% of LEAs during the 2014-15 school year, and in all LEAs by the 2015-16 school year, with additional components of the KEA fully implemented in the 2016-17 school year.
SESSION LAW 2014-8
HB 292 Moratorium/Lawsuits for School Funds
As amended by:
SESSION LAW 2014-9
SB 355/Tech Correction/Gaston, Nash, Union Local Act
Amends: (For Union, Gaston and Nash counties only) G.S. 115C-429(b) and repeals 115C-431.
Application/Effective Date: June 11, 2014, but does not affect any action filed prior to this date.
Local Action Required: Union, Gaston and Nash counties only.
SBE/DPI Action Required: None.
Summary: This is local legislation pertaining to Union, Gaston and Nash Counties only. It involves
the processes in the event of local budget disputes between county commissioners and boards of education. It
enacts a temporary moratorium on the three local boards of education, prohibiting them from filing
actions challenging the sufficiency of funds appropriated by the county commissioners to the local current
expense fund, the capital outlay fund, or both. It also sets forth specific local appropriations and requires a
working group in Union County to develop a multiyear capital needs plan. The moratorium expires upon
the adoption of the 2016-17 fiscal year budgets by the aforementioned boards of county commissioners.

SESSION LAW 2014-112
HB 1194 Retirement Administration Changes Act of 2014 (Collins, S. Ross)

Amends: G.S. 135-5(g); G.S. 128-27(g); G.S. 135-8(f); G.S. 128-30(g); G.S. 135-5(1), -64(i), -64; G.S. 120-4.27; G.S. 128-27(14), -27; G.S. 135-6(i); G.S. 128-28(j); G.S. 135-9; G.S. 128-31; G.S. 135-6; G.S. 128-27, -27(a)(1).

Application/Effective Date: Sections 1 and 3 become effective January 1, 2015; Sections 2, 4, 5, and 6 became effective October 1, 2014; Section 7 became effective September 1, 2014.

Local Action Required: None.

SBE/DPI Action Required: None.

Summary: Effective January 1, 2015, Section 1 amends the TSERS and LGERS Statutes to change the timing of the offset for Social Security benefits under Option Four. Option Four, one of the payment options available to TSERS and LGERS retirees, provides a higher benefit until the retiree becomes eligible for Social Security and a lower benefit after eligibility, with the goal of providing a more constant income stream in total. This change allows the Retirement System to delay the reduction in the TSERS or LGERS benefit by one month to avoid a significant reduction in total cash flow in the month a member first becomes eligible for Social Security.
Effective January 1, 2015, Section 3 puts the Contributory Death Benefit (CDB) on parity with all other death benefits by allowing retirees to name their beneficiary(ies) for the CDB. The CDB is currently paid to the surviving spouse, if there is one, or to the estate if the spouse does not survive the retiree. The current payment order would continue to apply if the retiree does not name a beneficiary(ies). Effective October 1, 2014, Section 4 provides additional transparency to the governance of retirement supplemental insurance benefits by requiring the Retirement System to publish annually a report on supplemental insurance offerings that are made available to retirees and the extent to which retirees participate in those offerings. Section 5 limits payment of a member's former spouse's benefit under a Domestic Relations order entered on or after January 1, 2015, to the lifetime of the former spouse. It also clarifies the recovery procedures for healthcare premiums paid on behalf of members deemed to have been ineligible to receive a retirement benefit. Effective October 1, 2014, Section 6 provides personal immunity from civil liabilities for fiduciary decisions made by members of the TSERS and LGERS Boards of Trustees.

SESSION LAW 2014-88
HB 1195 Fiscal Integrity/Pension-Spiking Prevention (Collins, S. Ross)
Amends: G.S. 135-5; G.S. 128-27; G.S. 135-4; G.S. 128-26; G.S. 135-8(f)(2); G.S. 128-30(g)(2); G.S. 135-5(f); G.S. 128-27(f); G.S. 120-4.25; G.S. 135-62(a), -3(8), -5(a); repeals G.S. 135-5(a2); G.S. 135-5(b19); repeals G.S. 135-5(b20); G.S. 135-5(m); repeals 135-5(m3); G.S. 135-57, -106(b); G.S. 143-166.41.

Application/Effective Date: Effective July 30, 2014; Sections 1 and 2 become effective on January 1, 2015.

Local Action Required: None.
SBE/DPI Action Required: None.

Summary: Section 1 establishes a contribution-based cap on pension benefits for members retiring from TSERS and LGERS. The benefit cap intends to control the practice of "pension spiking," whereby a member's compensation significantly increases during or immediately preceding the four-year period over which compensation is averaged in order to calculate the member's retirement benefit. The cap approximately corresponds with the annuitized equivalent of the total accumulated balance of employee contributions multiplied by a factor selected by the Boards of Trustees. The Boards of Trustees shall select a factor such that no more than 0.75% of retirement benefits shall be affected by the benefit cap. The benefit cap shall not apply to members whose average final compensation is less than or equal to the minimum average final compensation threshold of $100,000. This minimum compensation threshold shall be adjusted on January 1 of each year using the Consumer Price Index formula. This section also provides a contribution-based purchase provision to allow members hired after January 1, 2015 whose employers elect not to pay the additional cost of the member's benefit in excess of the cap to pay this additional cost and receive an uncapped benefit. Stipulates that employers must transmit the lump-sum payment required under the contribution-based purchase provision for retiring members hired prior to January 1, 2015, who last earned service credit as an employee of that employer in the month immediately preceding the month in which the member's retirement becomes effective. Section 2 allows TSERS members who leave employment before attaining five years of creditable service to receive a refund of their member contributions with the accumulated interest on their contributions, calculated at the current statutory rate of 4% on the prior year's balance. Section 3 restores the vesting period for all members of TSERS who became members on or after August 1, 2011, to five years instead of the prior ten-year requirement.

(a) U.S. Savings Bonds. -- Except as otherwise provided in this section, the provisions of this Article apply to United States savings bonds. A United States savings bond is unclaimed and presumed abandoned if the owner of the savings bond fails to redeem the savings bond within three years after the savings bond has fully matured. The Treasurer may bring a civil action under this section to take all property rights and legal title and ownership of the savings bond or proceeds from the savings bond, including all rights, powers, and privileges of survivorship of any owner, co-owner, or beneficiary. For purposes of this section, the term "savings bond" also includes United States savings notes, also known as Freedom Shares.

(b) Civil Action. -- Within 365 days after a United States savings bond is unclaimed and presumed abandoned under subsection (a) of this section, the Treasurer may commence a civil action in the Superior Court of Wake County for a determination that the savings bond escheats to the State of North Carolina. The Treasurer must make sufficient efforts to locate the owner of the savings bond before bringing an action under this section. The Treasurer may not bring an action under this section until a sufficient amount of United States savings bonds have accumulated owing to persons with a last known address of North Carolina to justify the expense of a proceeding under this section. The Treasurer may not bring an action under this section as to a specific savings bond if a claim has been filed for that savings bond in accordance with the provisions of this Article.

(c) Title to the Savings Bond. -- The court must enter a judgment that the United States savings bonds have escheated to the State of North Carolina and that all property rights and legal title to and ownership of the savings bonds or proceeds from the bonds, including all rights, powers, and privileges of survivorship of any owner, co-owner, or beneficiary, vest solely in the State of North Carolina if all of the following conditions are met:

1. No person files a claim or appears at the hearing to substantiate a claim.

(d) Claim for Escheated Savings Bond. -- A person claiming ownership for a United States savings bond that has escheated to the State of North Carolina, or for the proceeds from a savings bond that has been redeemed by the Treasurer, may file a claim in accordance with the
provisions of this Article. Upon providing sufficient proof of the validity of a person's claim, the Treasurer may pay the claim.

(e) Redemption of Savings Bond. – The Treasurer must take steps necessary to redeem any United States savings bond that has escheated to the State of North Carolina under this section. The proceeds from the redemption of the savings bond must be deposited in the Escheat Savings Bond Trust Fund, as provided in subsection (f) of this section.

(f) Escheat Savings Bond Trust Fund. – The Escheat Savings Bond Trust Fund is established as a separately accounted fund within the Escheat Fund. The net proceeds from redemption of United States savings bonds must be credited to this Fund. The Escheat Savings Bond Trust Fund shall be treated as an endowment, and subject to the Treasurer withholding an amount necessary to accomplish the Treasurer's duties as set out in this Chapter, its corpus may only be spent for purposes of investment and to pay funds to potential claimants. SECTION 13. G.S. 115C-83.15(b) reads as rewritten:

"(b) Calculation of the School Achievement Score. – In calculating the overall school achievement score earned by schools, the State Board of Education shall total the sum of points earned by a school on all of the following indicators that are measured for that school:

1. One point for each percent of students who score at or above proficient on annual assessments for mathematics in grades three through eight.
2. One point for each percent of students who score at or above proficient on annual assessments for reading in grades three through eight.
3. One point for each percent of students who score at or above proficient on annual assessments for science in grades five and eight.
4. One point for each percent of students who score at or above proficient on the Algebra I or Integrated Math I end-of-course test.
5. One point for each percent of students who score at or above proficient on the English II end-of-course test.
6. One point for each percent of students who score at or above proficient on the Biology end-of-course test.
7. One point for each percent of students who complete Algebra II or Integrated Math III with a passing grade.
8. One point for each percent of students who achieve the minimum score required for admission into a constituent institution of The University of North Carolina on a nationally normed test of college readiness.
9. One point for each percent of students enrolled in Career and Technical Education courses who meet the standard when scoring at Silver, Gold, or Platinum levels on a nationally normed test of workplace readiness.
10. One point for each percent of students who graduate within four years of entering high school.

Each school achievement indicator shall be of equal value when used to determine the overall school achievement score. In calculating the overall school achievement score earned by schools, the State Board of Education shall (i) use a composite approach to weigh the achievement elements based on the number of students measured by any given achievement element and (ii) proportionally adjust the scale to account for the absence of a school achievement element for award of scores to a school that does not have a measure of one of the
school achievement elements annually assessed for the grades taught at that school. The overall school achievement score shall be translated to a 100-point scale and used for school reporting purposes as provided in G.S. 115C-12(9)c1., 115C-238.29F, and 115C-238.66."

SECTION 14. G.S. 115C-83.15(d) reads as rewritten:

"(d) Calculation of the School Performance Scores and Grades. – For schools exceeding or not meeting expected school growth, the State Board of Education shall use EVAAS to calculate the school performance score by adding the school achievement score, as provided in subsection (b) of this section, and the school growth score, as provided in subsection (c) of this section, earned by a school. The school achievement score shall account for eighty percent (80%), and the school growth score shall account for twenty percent (20%) of the total sum. For schools meeting expected growth, and with a school achievement score of eighty percent (80%) or higher, the school performance score shall solely reflect the achievement score. For schools meeting expected growth, and with a school achievement score below eighty percent (80%), the school achievement score shall account for eighty percent (80%), and the school growth score shall account for twenty percent (20%) of the total sum. If a school has met expected growth and inclusion of the school’s growth score reduces the school’s performance score and grade, a school may choose to use the school achievement score solely to calculate the performance score and grade. For all schools, the total school performance score shall be converted to a 100-point scale and used to determine a school performance grade based on the following scale:

1. A school performance score of at least 90 is equivalent to an overall school performance grade of A.
2. A school performance score of at least 80 is equivalent to an overall school performance grade of B.
3. A school performance score of at least 70 is equivalent to an overall school performance grade of C.
4. A school performance score of at least 60 is equivalent to an overall school performance grade of D.
5. A school performance score of less than 60 points is equivalent to an overall school performance grade of F."

SECTION 15. Notwithstanding G.S. 115C-83.15(d), for the 2013-2014 school year only, for all schools the total school performance score shall be converted to a 100-point scale and used to determine a school performance grade based on the following scale:

1. A school performance score of at least 85 is equivalent to an overall school performance grade of A.
2. A school performance score of at least 70 is equivalent to an overall school performance grade of B.
3. A school performance score of at least 55 is equivalent to an overall school performance grade of C.
4. A school performance score of at least 40 is equivalent to an overall school performance grade of D.
5. A school performance score of less than 40 points is equivalent to an overall school performance grade of F.

SECTION 16. For the 2014-2015 school year only, local boards of education may apply for waivers from the requirements in G.S. 115C-174.12(4) which limit the administration of final exams for year-long courses to the final 10 instructional days of the school year and the final five instructional days of the semester for semester courses. Local boards of education shall apply for these waivers to the State Board of Education by September 1, 2014. The State Board of Education shall grant the waivers for up to five additional days in order to allow the administration of final exams for year-long courses within the final 15 instructional days of the school year and for semester courses within the final 10 instructional days of the semester. By October 1, 2014, the State Board of Education shall notify the local boards of education whether the requested waivers have been granted.
SECTION 17. This act is effective when it becomes law. Section 16 of this act applies only for the 2014-2015 school year.

"§ 143B-431A. Department of Commerce – contracting of functions.

(a) Purpose. — The purpose of this section is to establish a framework whereby the Department of Commerce may contract with a North Carolina nonprofit corporation to assist the Department in fostering and retaining jobs and business development, international trade, marketing, and travel and tourism. If the Department contracts with a North Carolina nonprofit corporation to promote and grow the travel and tourism industries, then all funds appropriated to the Department for tourism marketing purposes shall be used for a research-based, comprehensive marketing program directed toward consumers in key markets most likely to travel to North Carolina and not for ancillary activities, such as statewide branding and business development marketing. The members of the Committee who are appointed by the Speaker of the House of Representatives or by the President Pro Tempore of the Senate may not be members of the General Assembly. The Speaker of the House and the President Pro Tempore shall each select their appointed members so that one-fourth come from a development tier one area, one-fourth come from a development tier two area, and no two members come from the same Collaboration for Prosperity Zone. The Governor shall select appointed members so that two-ninths come from a development tier one area, two-ninths come from a development tier two area, and no more than two members come from the same Collaboration for Prosperity Zone. (3) The amount of State funds that may be used for the annual salary of any one officer or employee of the nonprofit corporation with which the Department contracts pursuant to this section shall not exceed the greater of (i) one hundred twenty thousand dollars ($120,000) or (ii) the amount most recently set by the General Assembly in a Current Operations Appropriations Act. Members of the governing board may receive only per diem and allowances pursuant to G.S. 138-5.

d. A detailed explanation of how annual salaries are determined, including base pay schedules and any additional salary amounts or bonuses that may be earned as a result of job performance. The explanation shall include the proportion of State and private funds for each position and shall include the means used by the nonprofit corporation to foster employee efforts for economic development in rural and low-income areas in the State. Any bonuses paid to employees shall be based upon overall job performance and not be based on a specific project lead.

During the 30-day period, the corporation may not further encumber any assets or funds. For purposes of this subdivision, assets and funds of the nonprofit corporation include assets and funds of any subsidiary or affiliate of the nonprofit corporation. benefit of or for salaried positions located in or working solely on development in development
tier one or two areas, as defined in G.S. 143B-437.08."

SECTION 1.1.(b) G.S. 143B-431A(i), as enacted by this act, does not apply to
employees of the Department of Commerce, other than employees involved in the
recommendation and administration of State economic development incentive programs, prior
to the time the Department contracts with a North Carolina nonprofit corporation pursuant to
this act.

SECTION 1.1.(c) G.S. 132-6(d) reads as rewritten:
"(d) Notwithstanding the provisions of subsections (a) and (b) of this section, public
records relating to the proposed expansion or location of specific business or industrial projects
may be withheld so long as their inspection, examination or copying would frustrate the
purpose for which such public records were created; provided, however, that nothing herein
shall be construed to permit the withholding of public records relating to general economic
development policies or activities. Once the State, a local government, or the specific business
has announced a commitment by the business to expand or locate a specific project in this State
or a final decision not to do so and the business has communicated that commitment or decision
to the State or local government agency involved with the project and that the business will
receive a discretionary incentive for the project pursuant to Chapter 143B of the General
Statutes, the provisions of this subsection allowing public records to be withheld by the agency
no longer apply. If the specific business has requested discretionary incentives for the project
pursuant to Chapter 143B of the General Statutes, but decides to not expand or locate the
project in this State or does not receive such discretionary incentives, then the only records that
are subject to disclosure pursuant to this Chapter are the records submitted to the Department of
Commerce by the nonprofit corporation with which the Department contracts pursuant to
G.S. 143B-431A. If a business decides to expand or locate a specific project in this State, but
the nonprofit corporation with which the Department contracts pursuant to G.S. 143B-431A
does not submit any documentation to the Department regarding a request for any discretionary
incentives by the State pursuant to Chapter 143B of the General Statutes, and the business does
not receive any such discretionary incentives, then any records regarding such project are not
subject to disclosure pursuant to this Chapter. Once the provisions of this subsection no longer
apply, the agency shall disclose as soon as practicable, and within 25 business days, public
records requested for the announced project that are not otherwise made confidential by law.
An announcement that a business or industrial project has committed to expand or locate in the
State shall not require disclosure of local government records relating to the project if the
business has not selected a specific location within the State for the project. Once a specific
location for the project has been determined, local government records must be disclosed, upon
request, in accordance with the provisions of this section. For purposes of this section, "local
government records" include records maintained by the State that relate to a local government's
efforts to attract the project."

SECTION 1.2.(a) G.S. 143B-434 is repealed.
SECTION 1.2.(b) G.S. 143B-434.01 reads as rewritten:
"§ 143B-434.01. Comprehensive Strategic Economic Development Plan.
(a) Definitions. — The following definitions apply in this section:
(1) Board. — The Economic Development Board.
...
(6) Secretary. — The Secretary of Commerce or the governing board of a North
Carolina nonprofit corporation with which the Department contracts
pursuant to G.S. 143B-431A for the performance of the Secretary's
responsibilities under this section.

(b) Board to Prepare Plan. — The Board Secretary shall prepare, review and update the
existing Plan by April 1, 1994, on or before April 1 of each year. The Board shall review and
update this Plan by April 1 of each year. The original Plan shall cover a period of four years
and each annual update shall extend the time frame by one year so that a four-year plan is
always in effect. The Board Secretary shall provide copies of the Plan and each annual update
to the Governor and the Joint Legislative Commission on Governmental Operations. The Plan
shall encompass all of the components set out in this section.

(c) Purpose. — The purpose of this section is to require the Board Secretary to apply
strategic planning principles to its economic development efforts. This requirement is expected
to result in:
(1) The selection of a set of priority development objectives that recognizes the increasingly competitive economic environment and addresses the changing needs of the State in a more comprehensive manner.

(2) The effective utilization of available and limited resources.

(3) A commitment to achieve priority objectives and to sustain the process.

(d) (1) Public and Private Input. – At each stage as it develops and updates the Plan, the Board Secretary shall solicit input from all parties involved in economic development in North Carolina, including:
   a. Each of the programs and organizations that, for State budget purposes, identifies economic development as one of its global goals.
   b. Local economic development departments and regional economic development organizations.
   c. The Board of Governors of The University of North Carolina.

(2) The Board Secretary shall also hold hearings in each of the Regions to solicit public input on economic development before the initial Plan is completed. The purposes of the public hearings are to:
   a. Assess the strengths and weaknesses of recent regional economic performance.
   b. Examine the status and competitive position of the regional resource base.
   c. Identify and seek input on issues that are key to improving the economic well-being of the Region.

The Board Secretary shall hold additional hearings from time to time to solicit public input regarding economic development activities.

(3) Each component of the Plan shall be based on this broad input and, to the extent possible, upon a consensus among all affected parties. The Board Secretary shall coordinate its planning process with any State capital development planning efforts affecting State infrastructure such as roads and water and sewer facilities.

(e) Environmental Scan. – The first step in developing the Plan shall be to develop an environmental scan based on the input from economic development parties and the public and on information about the economic environment in North Carolina. To prepare the scan, the Board Secretary shall gather the following information required in this subsection and ensure that the information is updated periodically. The updated information may be provided in whatever format and through whatever means is most efficient. The information required to prepare the scan includes all of the following:

(f) Repealed by Session Laws 2012-142, s. 13.4(a), effective July 1, 2012.

(g) Vision and Mission Statements. – The Board Secretary shall develop a vision statement for economic development that would describe the preferred future for North Carolina and what North Carolina would be like if all economic development efforts were successful. The Board Secretary shall then develop a mission statement that outlines the basic purpose of each of North Carolina’s economic development programs. Because special purpose nonprofit organizations are uniquely situated to conduct the entrepreneurial and high-risk activity of investing in and supporting new business creation in the State, they should be assigned a dominant role in this key component of economic development activity.

(h) Goals and Objectives. – The Board Secretary, using data from the public input and the environmental scan, shall formulate a list of goals and objectives. Goals shall be long-range, four years or more, and shall address both needs of economically distressed Regions and counties as well as opportunities for Regions and counties not distressed. The goals shall be developed with realism but should also be selected so as to encourage every Region and county within the State to develop to its maximum potential. Objectives shall be one year or less in scope and shall, if achieved, lead to the realization of the goals formulated by the Board Secretary as provided in this section.

Both goals and objectives should be stated largely in economic terms, that is, they should be related to specific population, employment, demographic targets, or economic sector targets. Both efficiency and equity considerations are to be addressed and balanced with special emphasis placed on the needs of disadvantaged or economically distressed populations and communities. The goals and objectives should not state how the economic targets are to be
reached, but rather what the economic conditions will be if they are obtained. So that the progress of North Carolina’s economic development efforts can be monitored, the Board Secretary shall set objectives for each goal that allow measurement of progress toward the goal. Objectives should be quantifiable and time-specific in order to serve as performance indicators.

(j) Implementation Plan. – Based upon all of the foregoing steps, the Board-Secretary shall establish an implementation plan assigning to the appropriate parties specific responsibilities for meeting measurable objectives. The implementation plan shall contain all necessary elements so that it may be used as a means to monitor performance, guide appropriations, and evaluate the outcomes of the parties involved in economic development in the State.

(k) Annual Evaluation. – The Board-Secretary shall annually evaluate the State’s economic performance based upon the statistics listed in this subsection and upon the Board’s Secretary’s stated goals and objectives in its Plan. The statistics upon which the evaluation is made should be available to policymakers. The information may be provided in whatever format and through whatever means is most efficient.

(l) Accountability. – The Board-Secretary shall make all data, plans, and reports available to the General Assembly, the Joint Legislative Commission on Governmental Operations, the Joint Legislative Economic Development and Global Engagement Oversight Committee, the Senate Appropriations Committee on Natural and Economic Resources, and the House of Representatives Appropriations Subcommittee on Natural and Economic Resources at appropriate times and upon request. The Board-Secretary shall prepare and make available on an annual basis public reports on each of the major sections of the Plan and the Annual Report indicating the degree of success in attaining each development objective.”

SECTION 1.2.(c) G.S. 143B-437.03 is repealed.

SECTION 1.3. G.S. 136-129(4) or G.S. 136-129(a)(5)-G.S. 136-129(5). These provisions shall not be used to
provide visibility to on-premises signs."

SECTION 11.1. G.S. 143-52.2 is repealed.

SECTION 12. G.S. 143-151.57 reads as rewritten:

"§ 143-151.57. Fees.

**SECTION 13.** G.S. 143-151.77 reads as rewritten:

"§ 143-151.77. **Enforcement and penalties.**

(a) In addition to injunctive relief, the Commissioner may assess and collect a civil penalty against any person who violates any of the provisions of this Article or rules adopted pursuant to this Article, as provided in this subsection. The maximum civil penalty for a violation is five thousand dollars ($5,000). A civil penalty may be assessed from the date of the violation. Each day of a continuing violation may constitute a separate violation.

(b) The Commissioner shall determine the amount of the civil penalty and shall notify the person who is assessed the civil penalty of the amount of the penalty and the reason for assessing the penalty. The notice of assessment shall be served by any means authorized under Rule 4 of G.S. 1A-1 and shall direct the violator to either pay the assessment or contest the assessment within 30 calendar days by filing a petition for a contested case under Article 3 of Chapter 150B of the General Statutes. If a violator does not pay a civil penalty assessed by the Commissioner within 30 calendar days after it is due, the Commissioner shall request that the Attorney General institute a civil action to recover the amount of the assessment. The civil action may be brought in the superior court of any county where the violation occurred. A civil action must be filed within one year of the date the assessment was due. An assessment that is not contested is due when the violator is served with a notice of assessment. An assessment that is contested is due at the conclusion of the administrative and judicial review of the assessment.

(c) In determining the amount of the penalty, the Commissioner shall consider the degree and extent of harm caused by the violation, the cost of rectifying the damage, the amount of money the violator saved by noncompliance, whether the violation was committed willfully, the prior record of the violator in complying or failing to comply with this Article, and the action of the person to remedy the violation.

(d) The clear proceeds of civil penalties collected by the Commissioner under this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2."

**SECTION 14.** G.S. 150B-41 reads as rewritten:

"§ 150B-41. **Evidence; stipulations; official notice.**

(a) In all contested cases, irrelevant, immaterial, and unduly repetitious evidence shall be excluded. Except as otherwise provided, the rules of evidence as applied in the trial division of the General Court of Justice shall be followed; but, when evidence is not reasonably available under such rules to show relevant facts, they may be shown by the most reliable and substantial evidence available. It shall not be necessary for a party or his attorney to object to evidence at the hearing in order to preserve the right to object to its consideration by the agency in reaching its decision, or by the court of judicial review.

(b) Evidence in a contested case, including records and documents shall be offered and made a part of the record. Other factual information or evidence shall not be considered in determination of the case, except as permitted under G.S. 150B-30, subsection (d) of this section. Documentary evidence may be received in the form of a copy or excerpt or may be incorporated by reference, if the materials so incorporated are available for examination by the parties. Upon timely request, a party shall be given an opportunity to compare the copy with the original if available.

(c) The parties in a contested case under this Article by a stipulation in writing filed with the agency may agree upon any fact involved in the controversy, which stipulation shall be used as evidence at the hearing and be binding on the parties thereto. Parties should agree upon facts when practicable. Except as otherwise provided by law, disposition may be made of a contested case by stipulation, agreed settlement, consent order, waiver, default, or other method agreed upon by the parties.
(d) Official notice may be taken of all facts of which judicial notice may be taken and of other facts within the specialized knowledge of the agency. The noticed fact and its source shall be stated and made known to affected parties at the earliest practicable time, and any party shall on timely request be afforded an opportunity to dispute the noticed fact through submission of evidence and argument. An agency may use its experience, technical competence, and specialized knowledge in the evaluation of evidence presented to it."

SECTION 15.(a) G.S. 153A-357(d) is repealed.
SECTION 15.(b) G.S. 160A-417(c) is repealed.

SECTION 15.1. G.S. 160A-58.64 reads as rewritten:
"§ 160A-58.64. Referendum prior to involuntary annexation ordinance.
(a) After the adoption of the resolution of intent under this Part, the municipality shall place the question of annexation on the ballot. The municipal governing board shall notify the appropriate county board or boards of elections of the adoption of the resolution of intent and provide a legible map and clear written description of the proposed annexation area.
(b) In accordance with G.S. 163-58.55, G.S. 160A-58.55, the municipal governing board shall adopt a resolution setting the date for the referendum and so notify the appropriate county board or boards of elections.
(c) The county board or boards of elections shall cause legal notice of the election to be published. That notice shall include the general statement of the referendum. The referendum shall be conducted, returned, and the results declared as in other municipal elections in the municipality. Only registered voters of the proposed annexation area shall be allowed to vote on the referendum.
(d) The referendum of any number of proposed involuntary annexations may be submitted at the same election; but as to each proposed involuntary annexation, there shall be an entirely separate ballot question.
(e) The ballots used in a referendum shall submit the following proposition:
"[ ] FOR [ ] AGAINST
The annexation of (clear description of the proposed annexation area)."
(f) If less than a majority of the votes cast on the referendum are for annexation, the municipal governing body may not proceed with the adoption of the annexation ordinance or begin a separate involuntary annexation process with respect to that proposed annexation area for at least 36 months from the date of the referendum. If a majority of the votes cast on the referendum are for annexation, the municipal governing body may proceed with the adoption of the annexation ordinance under G.S. 160A-58.55."

SECTION 16.(a) On March 13, 1895, the General Assembly enacted "An act to incorporate the town of Columbus." The act was published in the 1895 "Private Laws of North Carolina," appearing on pages 404 through 406. The session law designation that appears at the beginning of the act is "Chapter 354," although (i) the act is physically located between Chapters 253 and 255, and (ii) pages 404 through 406 have a running header showing Chapter 254 as the session law contained on those pages. There is otherwise no Chapter 254 in the 1895 "Private Laws of North Carolina," and the last session law in that volume is Chapter 353. It therefore appears that the intended session law designation for the act was Chapter 254 and that the published session law number contains a typographical error. The act has been cited at least once in a subsequent session law as "Chapter 354 of the Private Laws of 1895" and was repealed in Chapter 46 of the 1985 Session Laws ("An act to revise and consolidate the charter of the town of Columbus").

SECTION 16.(b) To remove any ambiguity, any reference to "Chapter 354" of the 1895 Private Laws of this State or to "Chapter 254" of the 1895 Private Laws of this State shall be construed as a reference to the act enacted by the General Assembly on March 13, 1895, entitled "An act to incorporate the town of Columbus."

SECTION 16.1. Section 5 of S.L. 2011-84 reads as rewritten:
"SECTION 5. Sections 2, 3, and 4 of this act do not apply to a city or joint agency providing communications service as of January 1, 2011, provided the city or joint agency limits the provision of communications service as provided in G.S. 160A-340.2(c). In the event a city subject to the exemption set forth in this section provides communications service to a customer outside the limits set forth in G.S. 160A-340(c), G.S. 160A-340.2(c), the city shall have 30 days from the date of notice or discovery to cease providing service to the customer without loss of the exemption."

SECTION 17. Section 60(c) of S.L. 2013-413 reads as rewritten:
"SECTION 60.(c) This act Part becomes effective July 1, 2015."

PART II. ADDITIONAL TECHNICAL CORRECTIONS AND OTHER AMENDMENTS

SECTION 18. G.S. 1-72.2 reads as rewritten:

"§ 1-72.2. Standing of legislative officers.
The Speaker of the House of Representatives and the President Pro Tempore of the Senate, as agents of the State, shall jointly have standing to intervene on behalf of the General Assembly as a party in any judicial proceeding challenging a North Carolina statute or provision of the North Carolina Constitution. The procedure for interventions at the trial level in State court shall be that set forth in Rule 29- Rule 24 of the Rules of Civil Procedure. The procedure for interventions at the appellate level in State court shall be by motion in the appropriate appellate court or by any other relevant procedure set forth in the Rules of Appellate Procedure."

SECTION 18.5. G.S. 1A-1. Rule 8(a), reads as rewritten:

"(a) Claims for relief. – A pleading which sets forth a claim for relief, whether an original claim, counterclaim, crossclaim, or third-party claim shall contain
(1) A short and plain statement of the claim sufficiently particular to give the court and the parties notice of the transactions, occurrences, or series of transactions or occurrences, intended to be proved showing that the pleader is entitled to relief; and
(2) A demand for judgment for the relief to which he deems himself entitled. Relief in the alternative or of several different types may be demanded. In all negligence actions, and in all claims for punitive damages in any civil action, wherein the matter in controversy exceeds the sum or value of ten thousand dollars ($10,000), twenty-five thousand dollars ($25,000), the pleading shall not state the demand for monetary relief, but shall state that the relief demanded is for damages incurred or to be incurred in excess of ten thousand dollars ($10,000), twenty-five thousand dollars ($25,000). However, at any time after service of the claim for relief, any party may request of the claimant a written statement of the monetary relief sought, and the claimant shall, within 30 days after such service, provide such statement, which shall not be filed with the clerk until the action has been called for trial or entry of default entered. Such statement may be amended in the manner and at times as provided by Rule 15."

SECTION 19.(a) G.S. 7A-228 reads as rewritten:

"§ 7A-228. New trial before magistrate; appeal for trial de novo; how appeal perfected; oral notice; dismissal.

(d) When a defendant in a summary ejectment action has given notice of appeal and perfected the appeal in accordance with G.S. 7A-228(b), the plaintiff may serve upon the defendant a motion to dismiss the appeal if the defendant:
(1) Failed to raise a defense orally or in writing in the small claims court;
(2) Failed to file a motion, answer, or counterclaim in the district court; and
(3) Failed to make any payment due under any applicable bond to stay execution of the judgment for possession, comply with any obligation set forth in the Bond to Stay Execution on Appeal of Summary Ejectment Judgment entered by the court.

The motion to dismiss the appeal shall list all of the deficiencies committed by the defendant, as described in subdivisions (1), (2), and (3) of this subsection, and shall state that the court will decide the motion to dismiss without a hearing if the defendant fails to respond within 10 days of receipt of the motion. The defendant may defeat the motion to dismiss by responding within 10 days of receipt of the motion by doing any of the following acts: (i) filing a responsive motion, answer, or counterclaim and serving the plaintiff with a copy thereof or (ii) paying the amount due under the bond to stay execution, if any amount is owed by the defendant. If the defendant is not required by law to make any payment under the bond to stay execution, the court shall not use the failure to make a payment as a basis to dismiss the appeal. The court shall review the file, determine whether the motion satisfies the requirements of this
subsection, determine whether the defendant has made a sufficient response to defeat the motion, and shall enter an order resolving the matter without a hearing."

SECTION 19. (b) This section becomes effective October 1, 2014, and applies to all actions for summary ejectment filed on or after that date.

SECTION 20. G.S. 7A-273(2) reads as rewritten:

"(2) In misdemeanor or infraction cases involving alcohol offenses under Chapter 18B of the General Statutes, traffic offenses, hunting, fishing, State park and recreation area rule offenses under Chapter 113 of the General Statutes, boating offenses under Chapter 75A of the General Statutes, open burning offenses under Article 78 of Chapter 106 of the General Statutes, and littering offenses under G.S. 14-399(c) and G.S. 14-399(c1), to accept written appearances, waivers of trial or hearing and pleas of guilty or admissions of responsibility, in accordance with the schedule of offenses and fines or penalties promulgated by the Conference of Chief District Judges pursuant to G.S. 7A-148, and in such cases, to enter judgment and collect the fines or penalties and costs;".

SECTION 21. G.S. 7B-603(b) reads as rewritten:

"(b) An attorney or guardian ad litem appointed pursuant to G.S. 7B-602 or pursuant to any other provision of the Juvenile Code for which the Office of Indigent Defense Services is responsible for providing counsel shall be paid a reasonable fee in accordance with rules adopted by the Office of Indigent Defense Services."

SECTION 22. Reserved.

SECTION 23. (a) G.S. 14-258.1, as amended by S.L. 2014-3, reads as rewritten:

Once the State, a local government, or the specific business has announced a commitment by the business to expand or locate a specific project in this State or the business has made a final decision not to do so, of which the State or local government agency involved with the project knows or should know and that the business will receive a discretionary incentive for the project pursuant to Chapter 143B of the General Statutes, the provisions of this subsection allowing public records to be withheld by the agency no longer apply. An announcement that a business or industrial project has committed to expand or locate in the State shall not require disclosure of local government records relating to the project if the business has not selected a specific location within the State for the project. Once a specific location for the project has been determined, local government records must be disclosed, upon request, in accordance with the provisions of this section. For purposes of this section, "local government records" include records maintained by the State that relate to a local government's efforts to attract the project.

1. Unless controlled by another subdivision of this subsection, the records may be withheld if their inspection, examination, or copying would frustrate the purpose for which the records were created.

2. If no discretionary incentives pursuant to Chapter 143B of the General Statutes are requested for a project and if the specific business decides to expand or locate the project in the State, then the records relating to the project shall not be disclosed.

3. If the specific business has requested discretionary incentives for a project pursuant to Chapter 143B of the General Statutes and if either the business decides not to expand or locate the project in the State or the project does not receive the discretionary incentives, then the only records relating to the project that may be disclosed are the requests for discretionary incentives pursuant to Chapter 143B of the General Statutes and any information submitted to the Department by the contracted entity.
(4) If the specific business receives a discretionary incentive for a project pursuant to Chapter 143B of the General Statutes and the State or the specific business announces a commitment to expand or locate the project in this State, all records requested for the announced project, not otherwise made confidential by law, shall be disclosed as soon as practicable and within 25 days from the date of announcement."

SECTION 56.7. G.S. 143-64.17B reads as rewritten:

"§ 143-64.17B. Guaranteed energy savings contracts.
(a) A governmental unit may enter into a guaranteed energy savings contract with a qualified provider if all of the following apply:
   (1) The term of the contract does not exceed 20 years from the date of the installation and acceptance by the governmental unit of the energy conservation measures provided for under the contract.
   (2) The governmental unit finds that the energy savings resulting from the performance of the contract will equal or exceed the total cost of the contract.
   (3) The energy conservation measures to be installed under the contract are for an existing building or utility system, system, or utility consuming device or equipment when the utility cost is paid by the governmental unit.

(b) Before entering into a guaranteed energy savings contract, the governmental unit shall provide published notice of the time and place or of the meeting at which it proposes to award the contract, the names of the parties to the proposed contract, and the contract's purpose. The notice must be published at least 15 days before the date of the proposed award or meeting.

(c) A qualified provider entering into a guaranteed energy savings contract under this Part shall provide security to the governmental unit in the form acceptable to the Office of the State Treasurer and in an amount equal to one hundred percent (100%) of the guaranteed savings for the term of the guaranteed energy savings contract to assure the provider's faithful performance. Any bonds required by this subsection shall be subject to the provisions of Article 3 of Chapter 44A of the General Statutes. If the savings resulting from a guaranteed energy savings contract are not as great as projected under the contract and all required shortfall payments to the governmental unit have not been made, the governmental unit may terminate the contract without incurring any additional obligation to the qualified provider.

(d) As used in this section, "total cost" shall include, but not be limited to, costs of construction, costs of financing, and costs of maintenance and training during the term of the contract less the application of the utility company, State, or federal incentives, grants, or rebates. "Total cost" does not include any obligations on termination of the contract before its expiration, provided that those obligations are disclosed when the contract is executed.

(e) A guaranteed energy savings contract may not require the governmental unit to purchase a maintenance contract or other maintenance agreement from the qualified provider who installs energy conservation measures under the contract if the unit of government takes appropriate action to budget for its own forces or another provider to maintain new systems installed and existing systems affected by the guaranteed energy savings contract.

(f) In the case of a State governmental unit, a qualified provider shall, when feasible, after the acceptance of the proposal of the qualified provider by the State governmental unit, conduct an investment grade audit. During this investment grade audit, the qualified provider shall perform in accordance with Part 1 of this Article a life cycle cost analysis of each energy conservation measure in the final proposal. If the results of the audit are not within ten percent (10%) of both the guaranteed savings contained in the proposal and the total proposal amount, either the State governmental unit or the qualified provider may terminate the project without incurring any additional obligation to the other party. However, if the State governmental unit terminates the project after the audit is conducted and the results of the audit are within ten percent (10%) of both the guaranteed savings contained in the proposal and the total proposal amount, the State governmental unit shall reimburse the qualified provider the reasonable cost incurred in conducting the audit, and the results of the audit shall become the property of the State governmental unit.
(g) A qualified provider shall provide an annual reconciliation statement based upon the results of the measurement and verification review. The statement shall disclose any shortfalls or surplus between guaranteed energy and operational savings specified in the guaranteed energy savings contract and actual, not stipulated, energy and operational savings incurred during a given guarantee year. Any guaranteed energy and operational savings shall be determined by using one of the measurement and verification methodologies listed in the United States Department of Energy's Measurement and Verification Guidelines for Energy Savings Performance Contracting, the International Performance Measurement and Verification Protocol (IPMVP) maintained by the Efficiency Valuation Organization, or Guideline 14-2002 of the American Society of Heating, Refrigerating, and Air-Conditioning Engineers. If due to existing data limitations or the nonconformance of specific project characteristics, none of the three methodologies listed in this subsection is sufficient for measuring guaranteed savings, the qualified provider shall develop an alternate method that is compatible with one of the three methodologies and mutually agreeable to the governmental unit. The guarantee year shall consist of a 12-month term commencing from the time that the energy conservation measures become fully operational. A qualified provider shall pay the governmental unit or its assignee any shortfall in the guaranteed energy and operational savings after the total year savings have been determined. In the case of a governmental unit, a surplus in any one year shall not be carried forward or applied to a shortfall in any other year."

No project may be commenced under this section unless it has been approved by the Department of Transportation.

(b) A county may finance the local share of the cost of improvements made under the supervision of the Department of Transportation to subdivision and residential streets located in the county and outside of a city in order to bring those streets up to the standards of the Secondary Roads Council, Department of Transportation so that they may become a part of the State maintained system and shall levy and collect pursuant to the procedures of Article 9 of Chapter 153A of the General Statutes special assessments against benefited property to recoup that portion of the costs financed by the county. The local share is that share required by policies of the Secondary Roads Council, Department of Transportation and may be paid by the county from funds not otherwise limited as to use by law. Land owned, leased, or controlled by a railroad company is exempt from such assessments to the same extent that it would be exempt from street assessments of a city under G.S. 160A-222. Property owned, leased, or controlled by railroad companies that is not subject to assessment shall not be included in determining the number of owners.

No right of action or defense asserting the invalidity of street assessments on grounds that the county did not comply with this subsection in securing a valid petition may be asserted except in an action or proceeding begun within 90 days after the day of publication of the notice of adoption of the preliminary assessment resolution.

(d) This section is intended to provide a means of assisting in financing improvements to subdivision and residential streets that are on the State highway system or that will, as a result of the improvements, become a part of the system. By financing improvements under this section, a county does not thereby acquire or assume any responsibility for the street or streets involved, and a county has no liability arising from the construction of such an improvement or the maintenance of such a street. Nothing in this section shall be construed to alter the conditions and procedures under which State system streets or other public streets are transferred to municipal street systems pursuant to G.S. 136-66.1 and 136-66.2 upon annexation by, or incorporation of, a municipality.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2013

SESSION LAW 2014-97
HOUSE BILL 1193

AN ACT TO MAKE TECHNICAL CHANGES TO THE STATUTES AFFECTING THE STATE RETIREMENT SYSTEMS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 58-86-2(9) reads as rewritten:
"(9) "Inactive member" means a member of the fund who is not on a leave of absence under G.S. 58-86-95 and who is not making timely monthly payments under G.S. 58-86-35 or G.S. 58-86-40. G.S. 58-86-40 for two consecutive years."

SECTION 2. G.S. 135-5(r) reads as rewritten:
"(r) Notwithstanding anything herein to the contrary, for persons who commenced receiving benefits from the System prior to January 1, 1970, effective July 1, 1973, any member who retired after attaining the age of 60 with 15 or more years of creditable service shall receive a monthly benefit of no less than seventy-five dollars ($75.00) prior to the application of any optional benefit."

SECTION 3. (a) G.S. 135-5(m2) reads as rewritten:
"(m2) Special Retirement Allowance. - At any time coincident with or following retirement, a member may make a one-time election to transfer any portion of the member's eligible accumulated contributions, not including any Roth after-tax contributions and the earnings thereon, from the Supplemental Retirement Income Plan of North Carolina or the North Carolina Public Employee Deferred Compensation Plan to this Retirement System and receive, in addition to the member's basic service, early or disability retirement allowance, a special retirement allowance which shall be based upon the member's transferred balance.

A member who became a member of the Supplemental Retirement Income Plan prior to retirement and who remains a member of the Supplemental Retirement Income Plan may make a one-time election to transfer eligible balances, not including any Roth after-tax contributions and the earnings thereon, from any of the following plans to the Supplemental Retirement Income Plan, subject to the applicable requirements of the Supplemental Retirement Income Plan, and then through the Supplemental Retirement Income Plan to this Retirement System:

(1) A plan participating in the North Carolina Public School Teachers' and Professional Educators' Investment Plan;
(2) A plan described in section 403(b) of the Internal Revenue Code;
(3) A plan described in section 457(b) of the Internal Revenue Code that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state;
(4) An individual retirement account or annuity described in Section 408(a) or 408(b) of the Internal Revenue Code that is eligible to be rolled over and would otherwise be includible in gross income;
(5) A tax-qualified plan described in section 401(a) or 403(a) of the Internal Revenue Code.

(i) a plan participating in the North Carolina Public School Teachers' and Professional Educators' Investment Plan; (ii) a plan described in section 403(b) of the Internal Revenue Code; (iii) a plan described in section 457(b) of the Internal Revenue Code that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state; (iv) an individual retirement account or annuity described in section 408(a) or section 408(b) of the Internal Revenue Code that is eligible to be rolled over and
would otherwise be includible in gross income; or (v) a tax-qualified plan described in section 401(a) or section 403(a) of the Internal Revenue Code.

Notwithstanding anything to the contrary, a member may not transfer such amounts as will cause the member's retirement allowance under the System to exceed the amount allowable under G.S. 135-18.7(b). The Board of Trustees may establish a minimum amount that must be transferred if a transfer is elected. The member may elect a special retirement allowance with no postretirement increases or a special retirement allowance with annual postretirement increases equal to the annual increase in the U.S. Consumer Price Index. Postretirement increases on any other allowance will not apply to the special retirement allowance. The Board of Trustees shall provide educational materials to the members who apply for the transfer authorized by this section. Those materials shall describe the special retirement allowance and shall explain (i) the relationship between the transferred balance and the monthly benefit; (ii) the impact on the member's heirs; and (iii) how the member's heirs may be impacted by the election to make this transfer and any costs and fees involved.

For the purpose of determining the special retirement allowance, the Board of Trustees shall adopt straight life annuity factors on the basis of yields on U.S. Treasury Bonds and mortality and such other tables as may be necessary based upon actual experience. A single set of mortality and such other tables will be used for all members, with factors differing only based on the age of the member and the election of postretirement increases. The Board of Trustees shall modify the mortality and such other tables every five years, as shall be deemed necessary, based upon the five-year experience study as required by G.S. 135-6(n). Provided, however, a member who transfers the member's eligible accumulated contributions from an eligible retirement plan pursuant to this subsection to this Retirement System shall be taxed for North Carolina State Income Tax purposes on the special retirement allowance the same as if that special retirement allowance had been paid directly by the eligible plan or the plan through which the transfer was made, whichever is most favorable to the member. The Teachers' and State Employees' Retirement System shall be responsible to determine the taxable amount, if any, and report accordingly.

The Supplemental Retirement Board of Trustees established under G.S. 135-96 may assess a one-time flat administrative fee not to exceed the actual cost of the administrative expenses relating to these transfers. An eligible plan shall not assess a fee specifically relating to a transfer of accumulated contributions authorized under this subsection. This provision shall not prohibit other fees that may be assessable under the plan. Each plan, contract, account, or annuity shall fully disclose to any member participating in a transfer under this subsection any surrender charges or other fees, and such disclosure shall be made contemporaneous with the initiation of the transfer by the member.

The special retirement allowance shall continue for the life of the member and the beneficiary designated to receive a monthly survivorship benefit under Option 2, 3 or 6 as provided in G.S. 135-5(g), if any. The Board of Trustees, however, shall establish two payment options that guarantee payments as follows:

(1) A member may elect to receive the special retirement allowance for life but with payments guaranteed for a number of months to be specified by the Board of Trustees. Under this plan, if the member dies before the expiration of the specified number of months, the special retirement allowance will continue to be paid to the member's designated beneficiary for the life of the beneficiary, if Option 2, 3 or 6 is selected. If Option 2, 3 or 6 is not selected, the member's designated beneficiary will receive the benefit only for the remainder of the specified number of months. If the member's designated beneficiary dies before receiving payments for the specified number of months, any remaining payments will be paid to the member's estate.

(2) A member may elect to receive the special retirement allowance for life but is guaranteed that the sum of the special allowance payments will equal the total of the transferred amount. Under this payment option, if the member dies before receiving the total transferred amount, the special retirement allowance will continue to be paid to the member's designated beneficiary for the life of the beneficiary, if Option 2, 3 or 6 is selected. If Option 2, 3 or 6 is not selected, the member's designated beneficiary or the member's estate shall be paid any remaining balance of the transferred amount.
The Board of Trustees shall report annually to the Joint Legislative Commission on Governmental Operations on the number of persons who made an election in the previous calendar year, with any recommendations it might make on amendment or repeal based on any identified problems.

The General Assembly reserves the right to repeal or amend this subsection, but such repeal or amendment shall not affect any person who has already made the one-time election provided in this subsection.

SECTION 3.(b) G.S. 128-27(m2) reads as rewritten:

"(m2) Special Retirement Allowance. - At any time coincident with or following retirement, a member may make a one-time election to transfer any portion of the member's eligible accumulated contributions, not including any Roth after-tax contributions and the earnings thereon, from the Supplemental Retirement Income Plan of North Carolina or the North Carolina Public Employee Deferred Compensation Plan to this Retirement System and receive, in addition to the member's basic service, early or disability retirement allowance, a special retirement allowance which shall be based upon the member's transferred balance.

A member who became a member of the Supplemental Retirement Income Plan prior to retirement and who remains a member of the Supplemental Retirement Income Plan may make a one-time election to transfer eligible balances, not including any Roth after-tax contributions and the earnings thereon, from any of the following plans to the Supplemental Retirement Income Plan, subject to the applicable requirements of the Supplemental Retirement Income Plan, and then through the Supplemental Retirement Income Plan to this Retirement System (i) a plan participating in the North Carolina Public School Teachers' and Professional Educators' Investment Plan; (ii) a plan described in section 403(b) of the Internal Revenue Code; (iii) a plan described in section 457(b) of the Internal Revenue Code that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state; (iv) an individual retirement account or annuity described in section 408(a) or section 408(b) of the Internal Revenue Code that is eligible to be rolled over and would otherwise be includable in gross income; or (v) a tax-qualified plan described in section 401(a) or section 403(a) of the Internal Revenue Code.

Notwithstanding anything to the contrary, a member may not transfer such amounts as will cause the member's retirement allowance under the System to exceed the amount allowable under G.S. 128-38.2(b). The Board of Trustees may establish a minimum amount that must be transferred if a transfer is elected. The member may elect a special retirement allowance with no postretirement increases or a special retirement allowance with annual postretirement increases equal to the annual increase in the U.S. Consumer Price Index. Postretirement increases on any other allowance will not apply to the special retirement allowance. The Board of Trustees shall provide educational materials to the members who apply for the transfer authorized by this section. Those materials shall describe the special retirement allowance and shall explain (i) the relationship between the transferred balance and the monthly benefit; (ii) how the member's heirs may be impacted by the election to make this transfer and any costs and fees involved.

For the purpose of determining the special retirement allowance, the Board of Trustees shall adopt straight life annuity factors on the basis of yields on U.S. Treasury Bonds and mortality and such other tables as may be necessary based upon actual experience. A single set of mortality and such other tables will be used for all members, with factors differing only based on the age of the member and the election of postretirement increases. The Board of Trustees shall modify the mortality and such other tables every five years, as shall be deemed necessary, based upon the five-year experience study as required by G.S. 128-28(o). Provided, however, a member who transfers the member's eligible accumulated contributions from the Supplemental Retirement Income Plan of North Carolina or the North Carolina Public Employee Deferred Compensation Plan to an eligible retirement plan pursuant to this subsection to this Retirement System shall be taxed for North Carolina State Income Tax purposes on the special retirement allowance the same as if that special retirement allowance had been paid directly by the Supplemental Retirement Income Plan of North Carolina eligible plan or the plan through which the transfer was made, whichever is most favorable to the member. The Local Governmental Employees' Retirement System shall be responsible to determine the taxable amount, if any, and report accordingly.

The special retirement allowance shall continue for the life of the member and the beneficiary designated to receive a monthly survivorship benefit under Option 2, 3 or 6 as
provided in G.S. 128-27(g), if any. The Board of Trustees, however, shall establish two payment options that guarantee payments as follows:

(1) A member may elect to receive the special retirement allowance for life but with payments guaranteed for a number of months to be specified by the Board of Trustees. Under this plan, if the member dies before the expiration of the specified number of months, the special retirement allowance will continue to be paid to the member's designated beneficiary for the life of the beneficiary, if Option 2, 3 or 6 is selected. If Option 2, 3 or 6 is not selected, the member's designated beneficiary will receive the benefit only for the remainder of the specified number of months. If the member's designated beneficiary dies before receiving payments for the specified number of months, any remaining payments will be paid to the member's estate.

(2) A member may elect to receive the special retirement allowance for life but is guaranteed that the sum of the special allowance payments will equal the total of the transferred amount. Under this payment option, if the member dies before receiving the total transferred amount, the special retirement allowance will continue to be paid to the member's designated beneficiary for the life of the beneficiary, if Option 2, 3 or 6 is selected. If Option 2, 3 or 6 is not selected, the member's designated beneficiary or the member's estate shall be paid any remaining balance of the transferred amount.

The Supplemental Retirement Board of Trustees established under G.S. 135-96 may assess a one-time flat administrative fee not to exceed the actual cost of the administrative expenses relating to these transfers. An eligible plan shall not assess a fee specifically relating to a transfer of accumulated contributions authorized under this subsection. This provision shall not prohibit other fees that may be assessable under the plan. Each plan, contract, account, or annuity shall fully disclose to any member participating in a transfer under this subsection any surrender charges or other fees, and that disclosure shall be made contemporaneous with the initiation of the transfer by the member.

The Board of Trustees shall report annually to the Joint Legislative Commission on Governmental Operations on the number of persons who made an election in the previous calendar year, with any recommendations it might make on amendment or repeal based on any identified problems.

The General Assembly reserves the right to repeal or amend this subsection, but such repeal or amendment shall not affect any person who has already made the one-time election provided in this subsection."

SECTION 4.(a) G.S. 135-1 is amended by adding a new subdivision to read:
"(8a) "Consumer Price Index" shall mean the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, all items, not seasonally adjusted, standard reference base, as published by the Bureau of Labor Statistics of the U.S. Department of Labor."

SECTION 4.(b) G.S. 128-21 is amended by adding a new subdivision to read:
"(8a) "Consumer Price Index" shall mean the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, all items, not seasonally adjusted, standard reference base, as published by the Bureau of Labor Statistics of the U.S. Department of Labor."

SECTION 4.(c) G.S. 135-53 is amended by adding a new subdivision to read:
"(5a) "Consumer Price Index" shall mean the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, all items, not seasonally adjusted, standard reference base, as published by the Bureau of Labor Statistics of the U.S. Department of Labor."

SECTION 4.(d) G.S. 135-3(8)c. reads as rewritten:
"c. Should a beneficiary who retired on an early or service retirement allowance under this Chapter be reemployed by, or otherwise engaged to perform services for, an employer participating in the Retirement System on a part time, temporary, interim, or on a fee for service basis, whether contractual or otherwise, and if such beneficiary earns an amount during the 12 month period immediately following the effective date of retirement or in any calendar year which exceeds fifty percent (50%) of the reported compensation,
excluding terminal payments, during the 12 months of service preceding the effective date of retirement, or twenty thousand dollars ($20,000), whichever is greater, as hereinafter indexed, then the retirement allowance shall be suspended as of the first day of the month following the month in which the reemployment earnings exceed the amount above, for the balance of the calendar year, except when the reemployment earnings exceed the amount above in the month of December, in which case the retirement allowance shall not be suspended. The retirement allowance of the beneficiary shall be reinstated as of January 1 of each year following suspension. The amount that may be earned before suspension shall be increased on January 1 of each year by the ratio of the Consumer Price Index to the Index one year earlier, percentage change between the December Consumer Price Index in the year prior to retirement and the December Consumer Price Index in the year most recently ended, calculated to the nearest tenth of a percent (1/10 of 1%), provided that this percentage change is positive."

SECTION 4.(e) G.S. 128-24(5)c. reads as rewritten:
"c. Should a beneficiary who retired on an early or service retirement allowance be reemployed by, or otherwise engaged to perform services for, an employer participating in the Retirement System on a part-time, temporary, interim, or on fee-for-service basis, whether contractual or otherwise, and if such beneficiary earns an amount during the 12-month period immediately following the effective date of retirement or in any calendar year which exceeds fifty percent (50%) of the reported compensation, excluding terminal payments, during the 12 months of service preceding the effective date of retirement, or twenty thousand dollars ($20,000), whichever is greater, as hereinafter indexed, then the retirement allowance shall be suspended as of the first day of the month following the month in which the reemployment earnings exceed the amount above, for the balance of the calendar year, except when the reemployment earnings exceed the amount above in the month of December, in which case the retirement allowance shall not be suspended. The retirement allowance of the beneficiary shall be reinstated as of January 1 of each year following suspension. The amount that may be earned before suspension shall be increased on January 1 of each year by the ratio of the Consumer Price Index to the Index one year earlier, percentage change between the December Consumer Price Index in the year prior to retirement and the December Consumer Price Index in the year most recently ended, calculated to the nearest tenth of a percent (1/10 of 1%), provided that this percentage change is positive."

SECTION 4.(f) G.S. 135-5(e)(1) reads as rewritten:
"(1) The Board of Trustees shall determine whether a disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference, as hereinafter indexed, between his disability retirement allowance and the gross compensation earned as an employee during the 12 consecutive months of service in the final 48 months prior to retirement producing the highest gross compensation excluding any compensation received on account of termination. If the disability beneficiary is earning or is able to earn more than the difference, the portion of his disability retirement allowance not provided by his contributions shall be reduced to an amount which, together with the portion of the disability retirement allowance provided by his contributions and the amount earnable by him shall equal the amount of his gross compensation prior to retirement. This difference shall be increased on January 1 each year by the ratio of the Consumer Price Index to the Index one year earlier, percentage change between the December Consumer Price Index in the year prior to retirement...
and the December Consumer Price Index in the year most recently ended, calculated to the nearest tenth of one percent (1/10 of 1%), provided that this percentage change is positive. Should the earning capacity of the disability beneficiary later change, the portion of his disability retirement allowance not provided by his contributions may be further modified. In lieu of the reductions on account of a disability beneficiary earning more than the aforesaid difference, he may elect to convert his disability retirement allowance to a service retirement allowance calculated on the basis of his average final compensation and creditable service at the time of disability and his age at the time of conversion to service retirement. This election is irrevocable. Provided, the provisions of this subdivision shall not apply to beneficiaries of the Law-Enforcement Officers' Retirement System transferred to this Retirement System who commenced retirement on and before July 1, 1981.

SECTION 4.(g) G.S. 128-27(e)(1) reads as rewritten:

"(1) The Board of Trustees shall determine whether a disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference, as hereinafter indexed, between his disability retirement allowance and the gross compensation earned as an employee during the 12 consecutive months in the final 48 months of service prior to retirement producing the highest gross compensation excluding any compensation received on account of termination. If the disability beneficiary is earning or is able to earn more than the difference, the portion of his disability retirement allowance not provided by his contributions shall be reduced to an amount which, together with the portion of the disability retirement allowance provided by his contributions and the amount earnable by him shall equal the amount of his gross compensation prior to retirement. This difference shall be increased on January 1 each year by the ratio of the Consumer Price Index to the Index one year earlier, percentage change between the December Consumer Price Index in the year prior to retirement and the December Consumer Price Index in the year most recently ended, calculated to the nearest tenth of a percent (1/10 of 1%), provided that this percentage change is positive. Should the earning capacity of the disability beneficiary later change, the portion of his disability retirement allowance not provided by his contributions may be further modified. In lieu of the reductions on account of a disability beneficiary earning more than the aforesaid difference, he may elect to convert his disability retirement allowance to a service retirement allowance calculated on the basis of his average final compensation and creditable service at the time of disability retirement and his age at the time of conversion to service retirement. This election is irrevocable.

The provisions of this subdivision shall not apply to beneficiaries of the Law Enforcement Officers' Retirement System transferred to this Retirement System who commenced retirement on and before July 1, 1981.

SECTION 4.(h) G.S. 135-60(d) reads as rewritten:

"(d) The Board of Trustees shall determine whether a disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference, as hereinafter indexed, between his disability retirement allowance and the gross compensation earned as an employee during the 12 consecutive months in the final 48 months of service prior to retirement producing the highest gross compensation excluding any compensation received on account of termination. If the disability beneficiary is earning or is able to earn more than the difference, the portion of his disability retirement allowance not provided by his contributions shall be reduced to an amount which, together with the portion of the disability retirement allowance provided by his contributions and the amount earnable by him shall equal the amount of his gross compensation prior to retirement. This difference shall be increased on January 1 of each year by the ratio of the Consumer Price Index to the Index one year earlier, percentage change between the December Consumer Price Index in the year prior to retirement and the December Consumer Price Index in the year most recently ended, calculated to the nearest tenth of one percent (1/10 of 1%), provided that this percentage change
is positive. Should the earning capacity of the disability beneficiary later change, the portion of his disability retirement allowance not provided by his contributions may be further modified. In lieu of the reductions on account of a disability beneficiary earning more than the aforesaid difference, he may elect to convert his disability retirement allowance to a service retirement allowance calculated on the basis of his final compensation and creditable service at the time of disability retirement and his age at the time of conversion to service retirement. This election is irrevocable.

SECTION 5.(a) G.S. 135-48.1(12) reads as rewritten:
"(12) Firefighter. – A member of the group "eligible firemen" as defined in G.S. 58-86-25, "eligible firefighter" as defined in G.S. 58-86-2."

SECTION 5.(b) G.S. 128-27(c) reads as rewritten:
"(c) Disability Retirement Benefits. – Upon the application of a member or of his employer, any member who has had five or more years of creditable service may be retired by the Board of Trustees, on the first day of any calendar month, not less than one day nor more than 120 days next following the date of filing such application, on a disability retirement allowance: Provided, that the medical board, after a medical examination of such member, shall certify that such member is mentally or physically incapacitated for the further performance of duty, that such incapacity was incurred at the time of active employment and has been continuous thereafter, that such incapacity is likely to be permanent, and that such member should be retired; Provided further the medical board shall determine if the member is able to engage in gainful employment and, if so, the member may still be retired and the disability retirement allowance as a result thereof shall be reduced as in subsection (e) below. Provided further, that the Medical Board shall not certify any member as disabled who:

(1) Applies for disability retirement based upon a mental or physical incapacity which existed when the member first established membership in the system; or

(2) Is in receipt of any payments on account of the same disability which existed when the member first established membership in the system.

The Board of Trustees shall require each employee upon enrolling in the retirement system to provide information on the membership application concerning any mental or physical incapacities existing at the time the member enrolls.

Notwithstanding the requirement of five or more years of creditable service to the contrary, a member who is a law enforcement officer, an eligible fireman–firefighter as defined in G.S. 58-86-25, G.S. 58-86-2, or an eligible rescue squad worker as defined in G.S. 58-86-20 G.S. 58-86-2, and becomes incapacitated for duty as the natural and proximate result of injuries incurred while in the actual performance of his or her duties, and meets all other requirements for disability retirement benefits, may be retired by the Board of Trustees on a disability retirement allowance.

Notwithstanding the foregoing to the contrary, any beneficiary who commenced retirement with an early or service retirement benefit has the right, within three years of his retirement, to convert to an allowance with disability retirement benefits without modification of any election of optional allowance previously made; provided, the beneficiary would have met all applicable requirements for disability retirement benefits while still in service as a member. The allowance on account of disability retirement benefits to the beneficiary shall be retroactive to the effective date of early or service retirement.

Notwithstanding the foregoing, effective April 1, 1991, the surviving designated beneficiary of a deceased member who met all other requirements for disability retirement benefits, except whose death occurred before the first day of the calendar month in which the member's disability retirement allowance was to be due and payable, may elect to receive the reduced retirement allowance provided by a one hundred percent (100%) joint and survivor payment option in lieu of a return of accumulated contributions, provided the following conditions apply:

(1) At the time of the member's death, one and only one beneficiary is eligible to receive a return of accumulated contributions, and

(2) The member had not instructed the Board of Trustees in writing that he did not wish the provision of this subsection to apply."

SECTION 6. G.S. 135-53(16) reads as rewritten:
"(16) "Retirement" under this Chapter shall mean the commencement of monthly retirement benefits, along with the termination of employment and the
complete separation from active service with no intent or agreement, expressed or implied, to return to service. A retirement allowance under the provisions of this Chapter may only be granted upon retirement of a member. In order for a member’s retirement to become effective in any month, the member must perform no work, including part-time, temporary, substitute, or contractor work, work in a position covered by this Article at any time during the same month immediately following the effective first day of retirement."

SECTION 7. G.S. 120-4.2(c) reads as rewritten:
"(c) Solely for purposes of administering the benefits authorized by G.S. 120-3 to 120-4.2, the authority and duties created by G.S. 120-4.1 as it existed prior to this repealing act shall continue in effect, except that the General Assembly may opt to make annual transfers instead of quarterly transfers of funds to the Department of State Treasurer."

SECTION 8. G.S. 135-103(b)(2) reads as rewritten:
"(b) The participation of any person in the Disability Income Plan shall cease upon:

(2) The participant’s retirement under the provisions of the Teachers’ and State Employees’ Retirement System or the Optional Retirement Program, or

..."

SECTION 9. G.S. 143-166.60(e) reads as rewritten:
"(e) The insurance benefit of the Plan on account of the death of a participant shall be payable to the surviving spouse of the participant or otherwise to the participant’s estate; provided, should a participant instruct the Board of Trustees in writing that he the participant does not wish these benefits to be paid to his or her spouse or estate, then the benefits shall be paid to the person or persons as the participant may name for this purpose. The life insurance benefits shall be payable only on account of participants in the Plan for six or more months or, if an actively employed officer, at any time after employment if death results from an accident. The accident and sickness disability insurance benefits shall be payable to a participant at any time after becoming a participant in the Plan."

SECTION 10. Section 4 of this act becomes effective January 1, 2015. The remainder of this act becomes effective July 1, 2014.

In the General Assembly read three times and ratified this the 29th day of July, 2014.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2013

SESSION LAW 2014-112
HOUSE BILL 1194

AN ACT TO MAKE CHANGES TO ADMINISTRATION OF THE STATE RETIREMENT SYSTEMS.

The General Assembly of North Carolina enacts:

SECTION 1.(a) G.S. 135-5(g) reads as rewritten:

"(g) Election of Optional Allowance.—With the provision that until the first payment on account of any benefit becomes normally due, or his first retirement check has been cashed, any member may elect to receive his benefits in a retirement allowance payable throughout life, or he may elect to receive the actuarial equivalent of such retirement allowance, including any special retirement allowance, in a reduced allowance payable throughout life under the provisions of one of the options set forth below. The election of Option 2, 3, or 6 or nomination of the person thereunder shall be revoked if such person nominated dies prior to the date the first payment becomes normally due or until the first retirement check has been cashed. Such election may be revoked by the member prior to the date the first payment becomes normally due or until his first retirement check has been cashed. Provided, however, in the event a member has elected Option 2, 3, or 5 and nominated his or her spouse to receive a retirement allowance upon the member's death, and the spouse predeceases the member after the first payment becomes normally due or the first retirement check has been cashed, if the member remarries he or she may request to nominate a new spouse to receive the retirement allowance under the previously elected option, within 90 days of the remarriage, and may nominate a new spouse to receive the retirement allowance under the previously elected option by written designation duly acknowledged and filed with the Board of Trustees within 120 days of the remarriage. The new nomination shall be effective on the first day of the month in which it is made and shall provide for a retirement allowance computed to be the actuarial equivalent of the retirement allowance in effect immediately prior to the effective date of the new nomination. Any member having elected Option 2, 3, 5, or 6 and nominated his or her spouse to receive a retirement allowance upon the member's death may, after divorce from his or her spouse, revoke the nomination and elect a new option, effective on the first day of the month in which the new option is elected, providing for a retirement allowance computed to be the actuarial equivalent of the retirement allowance in effect immediately prior to the effective date of the new option. Except as provided in this section, the member may not change the member's retirement benefit option or the member's designated beneficiary for survivor benefits, if any, after the member has cashed the first retirement check or after the 25th day of the month following the month in which the first check is mailed, whichever comes first.

Option 1.(a) In the Case of a Member Who Retires prior to July 1, 1963. — If he dies before he has received in annuity payments the present value of his annuity as it was at the time of his retirement, the balance shall be paid to his legal representatives or to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees.

(b) In the Case of a Member Who Retires on or after July 1, 1963, but prior to July 1, 1993. — If he dies within 10 years from his retirement date, an amount equal to his accumulated contributions at retirement, less 1/120 thereof for each month for which he has received a retirement allowance payment, shall be paid to his legal representatives or to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees; or
Option 2. SECTION 3. (a) G.S. 135-5(t) reads as rewritten:

Upon receipt of proof, satisfactory to the Board of Trustees in their capacity as trustees under the Group Life Insurance Plan, of the death, in service, of a member who had completed at least one full calendar year of membership in the Retirement System, there shall be paid to such person as he shall have nominated by electronic submission prior to completing 10 years of service in a form approved by the Board of Trustees or by written designation duly acknowledged and filed with the Board of Trustees, if such person is living at the time of the member's death, otherwise to

(3) Repealed by Session Laws 1983 (Regular Session, 1984), c. 1049, s. 2.

subject to a minimum of twenty-five thousand dollars ($25,000) and to a maximum of fifty thousand dollars ($50,000). Such death benefit shall be payable apart and separate from the payment of the member's accumulated contributions under the System on his death pursuant to the provisions of subsection (f) of this section. For the purpose of the Plan, a member shall be deemed to be in service at the date of his death if his death occurs within 180 days from the last day of his actual service.

The death benefit provided in this subsection (l) shall not be payable, notwithstanding the member's compliance with all the conditions set forth in the preceding paragraph, if his death occurs

(1) After December 31, 1968 and after he has attained age 70; or

(2) After December 31, 1969 and after he has attained age 69; or

(3) After December 31, 1970 and after he has attained age 68; or

(4) After December 31, 1971 and after he has attained age 67; or

(5) After December 31, 1972 and after he has attained age 66; or

(6) After December 31, 1973 and after he has attained age 65; or

(7) After December 31, 1978, but before January 1, 1987, and after he has attained age 70.

Notwithstanding the above provisions, the death benefit shall be payable on account of the death of any member who died or dies on or after January 1, 1974, but before January 1, 1979, after attaining age 65, if he or she had not yet attained age 65, if he or she had not yet attained age 66, was at the time of death completing the work year for those individuals under specific contract, or during the fiscal year for those individuals not under specific contract, in which he or she attained 65, and otherwise met all conditions for payment of the death benefit.

Notwithstanding the above provisions, the Board of Trustees may and is specifically authorized to provide the death benefit according to the terms and conditions otherwise appearing in this Plan in the form of group life insurance, either (i) by purchasing a contract or contracts of group life insurance with any life insurance company or companies licensed and authorized to transact business in this State for the purpose of insuring the lives of members in service, or (ii) by establishing a separate trust fund qualified under Section 501(c)(9) of the Internal Revenue Code of 1954, as amended, for such purpose. To that end the Board of Trustees is authorized, empowered and directed to investigate the desirability of utilizing group life insurance by either of the foregoing methods for the purpose of providing the death benefit. If a separate trust fund is established, it shall be operated in accordance with rules and regulations adopted by the Board of Trustees and all investment earnings on the trust fund shall be credited to such fund.

In administration of the death benefit the following shall apply:

(1) For the purpose of determining eligibility only, in this subsection "calendar year" shall mean any period of 12 consecutive months or, if less, the period covered by an annual contract of employment. For all other purposes in this subsection "calendar year" shall mean the 12 months beginning January 1 and ending December 31.

(2) Last day of actual service shall be:

a. When employment has been terminated, the last day the member actually worked.

b. When employment has not been terminated, the date on which an absent member's sick and annual leave expire, unless he is on approved leave of absence and is in service under the provisions of G.S. 135-4(h).

c. When a participant's employment is interrupted by reason of service in the Uniformed Services, as that term is defined in section 4303(16)
of the Uniformed Services Employment and Reemployment Rights Act, Public Law 103-353, and the participant does not return immediately after that service to employment with a covered employer in this System, the date on which the participant was first eligible to be separated or released from his or her involuntary military service.

(3) For a period when a member is on leave of absence, his status with respect to the death benefit will be determined by the provisions of G.S. 135-4(h).

(4) A member on leave of absence from his position as a teacher or State employee for the purpose of serving as a member or officer of the General Assembly shall be deemed to be in service during sessions of the General Assembly and thereby covered by the provisions of the death benefit. The amount of the death benefit for such member shall be the equivalent of the salary to which the member would have been entitled as a teacher or State employee during the 12-month period immediately prior to the month in which death occurred, not to be less than twenty-five thousand dollars ($25,000) nor to exceed fifty thousand dollars ($50,000).

The provisions of the Retirement System pertaining to Administration, G.S. 135-6, and management of funds, G.S. 135-7, are hereby made applicable to the Plan.

SESSION LAW 2014-88
HOUSE BILL 1195

AN ACT TO ENACT ANTI-PENSION-SPIKING LEGISLATION BY ESTABLISHING A CONTRIBUTION-BASED BENEFIT CAP, TO ALLOW MEMBERS OF THE TEACHERS' AND STATE EMPLOYEES' RETIREMENT SYSTEM AND THE LOCAL GOVERNMENTAL EMPLOYEES' RETIREMENT SYSTEM WHO LEAVE EMPLOYMENT WITHIN FIVE YEARS TO RECEIVE A RETURN OF THEIR CONTRIBUTIONS WITH ACCUMULATED INTEREST, AND TO RETURN TO A FIVE-YEAR VESTING PERIOD FOR MEMBERS OF THE TEACHERS' AND STATE EMPLOYEES' RETIREMENT SYSTEM AND THE CONSOLIDATED JUDICIAL RETIREMENT SYSTEM WHO BECAME MEMBERS ON OR AFTER AUGUST 1, 2011, AND MAKE A CONFORMING CHANGE TO THE SPECIAL SEPARATION ALLOWANCE FOR LAW ENFORCEMENT OFFICERS.

The General Assembly of North Carolina enacts:

SECTION 1. (a) G.S. 135-5 is amended by adding a new subsection to read:

(a3) Anti-Pension-Spiking Contribution-Based Benefit Cap.—Notwithstanding any other provision of this section, every service retirement allowance provided under this section for members who retire on or after January 1, 2015, is subject to adjustment pursuant to a contribution-based benefit cap under this subsection. The Board of Trustees shall adopt a contribution-based benefit cap factor recommended by the actuary, based upon actual experience, such that no more than three-quarters of one percent (0.75%) of retirement allowances are expected to be capped. The Board of Trustees shall modify such factors every five years, as shall be deemed necessary, based upon the five-year experience study as required by G.S. 135-6(n). Prior to establishing a service retirement allowance under this section, the Board shall:

1. Determine an amount equal to the member’s accumulated contributions as required under G.S. 135-8(b)(1) for all years during which the member earned membership service used in the calculation of the retirement allowance that the member would receive under this section.

2. Determine the amount of a single life annuity that is the actuarial equivalent of the amount determined under subdivision (1) of this subsection, adjusted for the age of the member at the time of retirement or, when appropriate, the age at the time of the member’s death.

3. Multiply the annuity amount determined under subdivision (2) of this subsection by the contribution-based benefit cap factor.

4. Determine the amount of the retirement allowance that results from the member’s membership service.

The product of the multiplication in subdivision (3) of this subsection is the member’s contribution-based benefit cap. If the amount determined under subdivision (4) of this subsection exceeds the member’s contribution-based benefit cap, the member’s retirement allowance shall be reduced by an amount equal to the difference between the contribution-based benefit cap and the amount determined under subdivision (4) of this subsection.

Notwithstanding the foregoing, the retirement allowance of a member with an average final compensation of less than one hundred thousand dollars ($100,000), as hereinafter indexed, shall not be subject to the contribution-based benefit cap. The minimum average final compensation necessary for a retirement allowance to be subject to the contribution-based benefit cap shall be increased on January 1 each year by the percent change between the December Consumer Price Index in the year prior to retirement and the December Consumer
Price Index in the year most recently ended, calculated to the nearest tenth of a percent (0.1%), provided that this percent change is positive.

Notwithstanding the foregoing, the retirement allowance of a member who became a member before January 1, 2015, or who has not earned at least five years of membership service in the Retirement System after January 1, 2015, shall not be reduced; however, the member’s last employer shall be required to make an additional contribution as specified in G.S. 135-80(2)(a), if applicable.

SECTION 1. (b) G.S. 128-27 is amended by adding a new section to read:

"(a3) Anti-Pension-Spiking Contribution-Based Benefit Cap. — Notwithstanding any other provision of this section, every service retirement allowance provided under this section for members who retire on or after January 1, 2015, is subject to adjustment pursuant to a contribution-based benefit cap under this subsection. The Board of Trustees shall adopt a contribution-based benefit cap factor recommended by the actuary, based upon actual experience, such that no more than three-quarters of one percent (0.75%) of retirement allowances are expected to be capped. The Board of Trustees shall modify such factors every five years, as shall be deemed necessary, based upon the five-year experience study as required by G.S. 128-28(a).

Prior to establishing a service retirement allowance under this section, the Board shall:

1. Determine an amount equal to the member’s accumulated contributions as required under G.S. 128-30(g)(1) for all years during which the member earned membership service used in the calculation of the retirement allowance that the member would receive under this section.

2. Determine the amount of a single life annuity that is the actuarial equivalent of the amount determined under subdivision (1) of this subsection, adjusted for the age of the member at the time of retirement or, when appropriate, the age at the time of the member’s death.

3. Multiply the annuity amount determined under subdivision (2) of this subsection by the contribution-based benefit cap factor.

4. Determine the amount of the retirement allowance that results from the member’s membership service.

The product of the multiplication in subdivision (3) of this subsection is the member’s contribution-based benefit cap. If the amount determined under subdivision (4) of this subsection exceeds the member’s contribution-based benefit cap, the member’s retirement allowance shall be reduced by an amount equal to the difference between the contribution-based benefit cap and the amount determined under subdivision (4) of this subsection.

Notwithstanding the foregoing, the retirement allowance of a member with an average final compensation of less than one hundred thousand dollars ($100,000), as hereinafter indexed, shall not be subject to the contribution-based benefit cap. The minimum average final compensation necessary for a retirement allowance to be subject to the contribution-based benefit cap shall be increased on January 1 each year by the percent change between the December Consumer Price Index in the year prior to retirement and the December Consumer Price Index in the year most recently ended, calculated to the nearest tenth of a percent (0.1%), provided that this percent change is positive.

Notwithstanding the foregoing, the retirement allowance of a member who became a member before January 1, 2015, or who has not earned at least five years of membership service in the Retirement System after January 1, 2015, shall not be reduced; however, the member’s last employer shall be required to make an additional contribution as specified in G.S. 128-30(g)(2)(a), if applicable.

SECTION 1. (c) G.S. 135-4 is amended by adding a new subsection to read:

"(ji) Contribution-Based Benefit Cap Purchase Provision. — If a member’s retirement allowance is subject to an adjustment pursuant to the contribution-based benefit cap established in G.S. 135-5(a3), the retirement system shall notify the member and the member’s employer that the member’s retirement allowance has been capped. The retirement system shall compute and notify the member and the member’s employer of the total additional amount the member would need to contribute in order to make the member not subject to the contribution-based benefit cap. This total additional amount shall be the actuarial equivalent of a single life annuity adjusted for the age of the member at the time of retirement, or when appropriate, the age at the time of the member’s death that would have had to have been purchased to increase the member’s benefit to the pre-cap level. The member shall have until 90 days after notification..."
regarding this additional amount or until 90 days after the effective date of retirement, whichever is later, to submit a lump sum payment to the annuity savings fund in order for the retirement system to restore the retirement allowance to the uncapped amount. Nothing contained in this subsection shall prevent an employer from paying all or part of the cost of the amount necessary to restore the member's retirement allowance to the pre-cap amount."

SECTION 1.(d) G.S. 128-26 is amended by adding a new subsection to read:

"(y) Contribution-Based Benefit Cap Purchase Provision. — If a member's retirement allowance is subject to an adjustment pursuant to the contribution-based benefit cap established in G.S. 128-27(a3), the retirement system shall notify the member and the member's employer that the member's retirement allowance has been capped. The retirement system shall compute and notify the member and the member's employer of the total additional amount the member would need to contribute in order to make the member not subject to the contribution-based benefit cap. This total additional amount shall be the actuarial equivalent of a single life annuity adjusted for the age of the member at the time of retirement, or when appropriate, the age at the time of the member's death that would have had to have been purchased to increase the member's benefit to the pre-cap level. The member shall have until 90 days after notification regarding this additional amount or until 90 days after the effective date of retirement, whichever is later, to submit a lump sum payment to the annuity savings fund in order for the retirement system to restore the retirement allowance to the uncapped amount. Nothing contained in this subsection shall prevent an employer from paying all or part of the cost of the amount necessary to restore the member's retirement allowance to the pre-cap amount."

SECTION 1.(e) G.S. 135-8(f)(2) is amended by adding a new sub-subdivision to read:

"f. Each employer shall transmit to the Retirement System on account of each member who retires on or after January 1, 2015, having earned his last month of membership service as an employee of that employer the lump sum payment, as calculated under G.S. 135-4(j(j), that would have been necessary in order for the retirement system to restore the member's retirement allowance to the pre-cap amount. Employers are not required to make contributions on account of any retiree who became a member on or after January 1, 2015, and who earned at least five years of membership service in the Retirement System after January 1, 2015.

Under such rules as the Board of Trustees shall adopt, the Retirement System shall report monthly to each employer a list of those members for whom the employer made a contribution to the Retirement System in the preceding month that are most likely to require an additional employer contribution should they elect to retire in the following 12 months, if applicable."

SECTION 1.(f) G.S.128-30(g)(2) reads as rewritten:

"(2) The collections of employers' contributions shall be made as follows:

Such employer contributions shall be transmitted to the secretary-treasurer of the Board of Trustees together with the employee deductions as provided under sub-subdivision b. of subdivision (1) of this subsection.

b. Each employer shall transmit to the Retirement System on account of each member who retires on or after January 1, 2015, having earned his last month of membership service as an employee of that employer the lump sum payment, as calculated under G.S. 128-26(y), that would have been necessary in order for the retirement system to restore the member's retirement allowance to the pre-cap amount. Employers are not required to make contributions on account of any retiree who became a member on or after January 1, 2015, and who earned at least five years of membership service in the Retirement System after January 1, 2015."
Under such rules as the Board of Trustees shall adopt, the Retirement System shall report monthly to each employer a list of those members for whom the employer made a contribution to the Retirement System in the preceding month that are most likely to require an additional employer contribution should they elect to retire in the following 12 months, if applicable."

Upon receipt of proof satisfactory to the Board of Trustees of the death, prior to retirement, of a member or former member there shall be paid to such person or persons as he shall have nominated by electronic submission prior to completing 10 years of service in a form approved by the Board of Trustees or by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time of the member's death, otherwise to the member's legal representatives, the amount of his accumulated contributions at the time of his death, unless the beneficiary elects to receive the alternate benefit under the provisions of (m) below. An extension service employee who made contributions to the Local Governmental Employees' Retirement System and the Teachers' and State Employees' Retirement System as a result of dual employment may not be paid his accumulated contributions unless he is eligible to be paid his accumulated contributions in both systems for the same period of service.

Pursuant to the provisions of G.S. 135-56.2, a member who is also a member of the Consolidated Judicial Retirement System may irrevocably elect to transfer any accumulated contributions to the Consolidated Judicial Retirement System or to the Supplemental Retirement Income Plan and forfeit any rights in or to any benefits otherwise payable hereunder.

"§ 120-4.25. Return of accumulated contributions.

Upon payment of such accumulated contributions his membership in the Retirement System shall cease and, if he thereafter again becomes a member, no credit shall be allowed for any service previously rendered, except as otherwise provided in G.S. 135-56(b). b. In lieu of the benefits provided in paragraph a of this subdivision (8), any member who became a member prior to August 1, 2011, and who separates from service prior to the attainment of the age of 60 years, for any reason other than death or retirement for disability as provided in G.S. 135-5(c), after completing 20 or more years of creditable service, and who leaves his total accumulated contributions in said System, may elect to retire on an early retirement allowance upon attaining the age of 50 years or at any time thereafter; provided that such member may so retire only upon electronic submission or written application to the Board of Trustees setting forth at what time, not less than one day nor more than 120 days subsequent to the execution and filing thereof, he desires to be retired. Such early retirement allowance so elected shall be equal to the deferred retirement allowance otherwise payable at the attainment of the age of 60 years reduced by the percentage thereof indicated below.

SECTION 3.(g) G.S. 135-5(m3) is repealed.

SECTION 3.(h) G.S. 135-57 reads as rewritten:

"§ 135-57. Service retirement.

(a) Any member on or after January 1, 1974, who became a member prior to August 1, 2011, and who has attained his fiftieth birthday and five years of membership service may retire upon electronic submission or written application to the board of trustees setting forth at what time, as of the first day of a calendar month, not less than one day nor more than 120 days subsequent to the execution and filing thereof, he desires to be retired.

(a1) Any member who became a member on or after August 1, 2011, and who has attained the member's fiftieth birthday and 10 years of membership service may retire upon electronic submission or written application to the Board of Trustees setting forth at what time, as of the first day of a calendar month, not less than one day nor more than 120 days subsequent to the execution and filing thereof, the member desires to be retired.

(b) Any member who is a justice or judge of the General Court of Justice shall be automatically retired as of the first day of the calendar month coinciding with or next following the later of January 1, 1974, or his attainment of his seventy-second birthday; provided, however, that no judge who is a member on January 1, 1974, shall be forced to retire under the

and the requirement of subsection (a) that the member be in service shall not apply.

may retire upon electronic submission or written application to the board of trustees setting

120 days subsequent to the execution and filing thereof, he desires to be retired."

SECTION 3.(f) G.S. 135-106(b) reads as rewritten:

"(b) After the commencement of benefits under this section, the benefits payable under
the terms of this section during the first 36 months of the long-term disability period shall be
equal to sixty-five percent (65%) of 1/12th of the annual base rate of compensation last payable
to the participant or beneficiary prior to the beginning of the short-term disability period as may
be adjusted for percentage increases as provided under G.S. 135-108, plus sixty-five percent
(65%) of 1/12th of the annual longevity payment to which the participant or beneficiary would
be eligible, to a maximum of three thousand nine hundred dollars ($3,900) per month reduced
by any primary Social Security disability benefits to which the beneficiary may be entitled,
effective as of the first of the month following the month of initial entitlement, and by monthly
payments for Workers’ Compensation to which the participant or beneficiary may be entitled.
When primary Social Security disability benefits are increased by cost-of-living adjustments,
the increased reduction shall be applied in the first month following the month in which the
member becomes entitled to the increased Social Security benefit. The monthly benefit shall be
further reduced by the amount of any monthly payments from the federal Department of
Veterans Affairs, any other federal agency or any payments made under the provisions of
G.S. 127A-108, to which the participant or beneficiary may be entitled on account of the same
disability. Provided, in any event, the benefit payable shall be no less than ten dollars ($10.00)
a month. However, a disabled participant may elect to receive any salary continuation as
provided in G.S. 135-104 in lieu of long-term disability benefits; provided such election shall
not extend the first 36 consecutive calendar months of the long-term disability period. An
election to receive any salary continuation for any part of any given day shall be in lieu of any
long-term benefit payable for that day, provided further, any lump-sum payout for vacation
leave shall be treated as if the beneficiary or participant had exhausted the leave and shall be in
lieu of any long-term benefit otherwise payable. Provided that, in any event, a beneficiary’s
benefit shall be reduced during the first 36 months of the long-term disability period by an
amount, as determined by the Board of Trustees, equal to a primary Social Security retirement
benefit to which the beneficiary might be entitled.

After 36 months of long-term disability, no further benefits are payable under the terms of
this section unless the member has been approved and is in receipt of primary Social Security
disability benefits. In that case the benefits payable shall be equal to sixty-five percent (65%) of
1/12th of the annual base rate of compensation last payable to the participant or beneficiary
prior to the beginning of the short-term disability period as may be adjusted for percentage
increases as provided under G.S. 135-108, plus sixty-five percent (65%) of 1/12th of the annual
longevity payment to which the participant or beneficiary would be eligible, to a maximum of
three thousand nine hundred dollars ($3,900) per month reduced by the primary Social Security
disability benefits to which the beneficiary may be entitled, effective as of the first of the month
following the month of initial entitlement, and by monthly payments for Workers’ Compensation
to which the participant or beneficiary may be entitled. When primary Social Security disability benefits are increased by cost-of-living adjustments, the increased reduction shall be applied in the first month following the month in which the member becomes entitled to the increased Social Security benefit. The monthly benefit shall be further reduced by the amount of any monthly payments from the federal Department of Veterans Affairs, for
payments from any other federal agency, or for any payments made under the provisions of G.S. 127A-108, to which the participant or beneficiary may be entitled on account of the same disability. Provided, in any event, the benefit payable shall be no less than ten dollars ($10.00) a month.

Notwithstanding the foregoing, but subject to an additional integration with the five-year and 10-year retirement vesting provisions as set forth in this paragraph, the long-term disability benefit is payable so long as the beneficiary is disabled and is in receipt of a primary Social Security disability benefit until the earliest date at which the beneficiary who became a member prior to August 1, 2011, is eligible for an unreduced service retirement allowance from the Retirement System, at which time the beneficiary would receive a retirement allowance calculated on the basis of the beneficiary’s average final compensation at the time of disability as adjusted to reflect compensation increases subsequent to the time of disability and the creditable service accumulated by the beneficiary, including creditable service while in receipt of benefits under the Plan. In the case of any long-term disability beneficiary who became a member on and after August 1, 2011, and ordinarily would not be eligible for a retirement benefit without 10 years of membership service, for purposes of this conversion from long-term disability to service retirement, and for that purpose only, noncontributory creditable service granted while in receipt of disability benefits under this Article shall be deemed to be membership service, through the completion of 10 years of combined membership and noncontributory service on short-term and long-term disability benefits in total. In the event the beneficiary has not been approved and is not in receipt of a primary Social Security disability benefit, the long-term disability benefit shall cease after the first 36 months of the long-term disability period. When such a long-term disability recipient begins receiving this unreduced service retirement allowance from the System, that recipient shall not be subject to the six-month waiting period set forth in G.S. 135-1(20). However, a beneficiary shall be entitled to a restoration of the long-term disability benefit in the event the Social Security Administration grants a retroactive approval for primary Social Security disability benefits with a benefit effective date within the first 36 months of the long-term disability period. In such event, the long-term disability benefit shall be restored retroactively to the date of cessation."

SECTION 3.(j) G.S. 143-166.41 reads as rewritten:

"§ 143-166.41. Special separation allowance.

(a) Notwithstanding any other provision of law, every sworn law-enforcement officer as defined by G.S. 135-1(11a) or G.S. 143-166.30(a)(4) employed by a State department, agency, or institution prior to August 1, 2011, and who qualifies under this section shall receive, beginning in the month in which he retires on a basic service retirement under the provisions of G.S. 135-5(a), an annual separation allowance equal to eighty-five hundredths percent (0.85%) of the annual equivalent of the base rate of compensation most recently applicable to him for each year of creditable service. The allowance shall be paid in equal installments on the payroll frequency used by the employer. To qualify for the allowance the officer shall:

3. Have completed at least five years of continuous service as a law enforcement officer as herein defined immediately preceding a service retirement. Any break in the continuous service required by this subsection because of disability retirement or disability salary continuation benefits shall not adversely affect an officer’s qualification to receive the allowance, provided the officer returns to service within 45 days after the disability benefits cease and is otherwise qualified to receive the allowance.

(b) Notwithstanding any other provision of law, every sworn law enforcement officer as defined by G.S. 135-1(11a) or G.S. 143-166.30(a)(4) employed by a State department, agency, or institution on or after August 1, 2011, and who qualifies under this section shall receive, beginning in the month in which the member retires on a basic service retirement under the provisions of G.S. 135-5(a), an annual separation allowance equal to eighty-five hundredths percent (0.85%) of the annual equivalent of the base rate of compensation most recently applicable to him for each year of creditable service. The allowance shall be paid in equal..."
installments on the payroll frequency used by the employer. To qualify for the allowance, the officer shall:

1. Have (i) completed 30 or more years of creditable service or (ii) attained 55 years of age and completed 10 or more years of creditable service; and

2. Not have attained 62 years of age; and

3. Have completed at least 10 years of continuous service as a law enforcement officer as herein defined immediately preceding a service retirement. Any break in the continuous service required by this subsection because of disability retirement or disability salary continuation benefits shall not adversely affect an officer’s qualification to receive the allowance, provided the officer returns to service within 45 days after the disability benefits cease and is otherwise qualified to receive the allowance.

SECTION 4. Sections 1 and 2 of this act become effective January 1, 2015. The remainder of this act is effective when it becomes law.

The agency shall submit the text of the proposed rule change, an analysis of the proposed rule change, and a fiscal note on the proposed rule change to the Office at the same time as the agency submits the notice of text for publication pursuant to G.S. 150B-21.2. The fiscal note must state the amount of funds that would be expended or distributed as a result of the proposed rule change and explain how the amount was computed. The Office of State Budget and Management must certify a proposed rule change if funds are available to cover the expenditure or distribution required by the proposed rule change.

(a1) DOT Analyses. — In addition to the requirements of subsection (a) of this section, any agency that adopts a rule affecting environmental permitting of Department of Transportation projects shall conduct an analysis to determine if the rule will result in an increased cost to the Department of Transportation. The analysis shall be conducted and submitted to the Board of Transportation when the agency submits the notice of text for publication. The agency shall consider any recommendations offered by the Board of Transportation prior to adopting the rule. Once a rule subject to this subsection is adopted, the Board of Transportation may submit any objection to the rule it may have to the Rules Review Commission. If the Rules Review Commission receives an objection to a rule from the Board of Transportation no later than 5:00 P.M. of the day following the day the Commission approves the rule, then the rule shall only become effective as provided in G.S. 150B-21.3(b1).

(b) Local Funds. — Before an agency adopts publishes in the North Carolina Register the proposed text of a permanent rule change that would affect the expenditures or revenues of a unit of local government, it must submit the text of the proposed rule change and a fiscal note on the proposed rule change to the Office of State Budget and Management as provided by G.S. 150B-21.26, the Fiscal Research Division of the General Assembly, the North Carolina Association of County Commissioners, and the North Carolina League of Municipalities. The fiscal note must state the amount by which the proposed rule change would increase or decrease expenditures or revenues of a unit of local government and must explain how the amount was computed.

(b1) Substantial Economic Impact. — Before an agency adopts publishes in the North Carolina Register the proposed text of a permanent rule change that would have a substantial economic impact and that is not identical to a federal regulation that the agency is required to adopt, the agency shall prepare a fiscal note for the proposed rule change and have the note approved by the Office of State Budget and Management. The agency must also obtain from the Office a certification that the agency adhered to the regulatory principles set forth in G.S. 150B-19.1(a)(2), (5), and (6). The agency may request the Office of State Budget and Management to prepare the fiscal note only after, working with the Office, it has exhausted all resources, internal and external, to otherwise prepare the required fiscal note. If an agency requests the Office of State Budget and Management to prepare a fiscal note for a proposed rule change, that Office must prepare the note within 90 days after receiving a written request for the note. If the Office of State Budget and Management fails to prepare a fiscal note within this
time period, the agency proposing the rule change shall prepare a fiscal note. A fiscal note prepared in this circumstance does not require approval of the Office of State Budget and Management.

If an agency prepares the required fiscal note, the agency must submit the note to the Office of State Budget and Management for review. The Office of State Budget and Management shall review the fiscal note within 14 days after it is submitted and either approve the note or inform the agency in writing of the reasons why it does not approve the fiscal note. After addressing these reasons, the agency may submit the revised fiscal note to that Office for its review. If an agency is not sure whether a proposed rule change would have a substantial economic impact, the agency shall ask the Office of State Budget and Management to determine whether the proposed rule change has a substantial economic impact. Failure to prepare or obtain approval of the fiscal note as required by this subsection shall be a basis for objection to the rule under G.S. 150B-21.9(a)(4).

As used in this subsection, the term "substantial economic impact" means an aggregate financial impact on all persons affected of at least one million dollars ($1,000,000) in a 12-month period. In analyzing substantial economic impact, an agency shall do the following:

1. Determine and identify the appropriate time frame of the analysis.
2. Assess the baseline conditions against which the proposed rule is to be measured.
3. Describe the persons who would be subject to the proposed rule and the type of expenditures those persons would be required to make.
4. Estimate any additional costs that would be created by implementation of the proposed rule by measuring the incremental difference between the baseline and the future condition expected after implementation of the rule. The analysis should include direct costs as well as opportunity costs. Cost estimates must be monetized to the greatest extent possible. Where costs are not monetized, they must be listed and described.
5. For costs that occur in the future, the agency shall determine the net present value of the costs by using a discount factor of seven percent (7%).

(b2) Content. – A fiscal note required by subsection (b1) of this section must contain the following:

1. A description of the persons who would be affected by the proposed rule change.

3. A description of the purpose and benefits of the proposed rule change.
4. An explanation of how the estimate of expenditures was computed.
5. A description of at least two alternatives to the proposed rule that were considered by the agency and the reason the alternatives were rejected. The alternatives may have been identified by the agency or by members of the public.

(c) Errors. – An erroneous fiscal note prepared in good faith does not affect the validity of a rule.

(d) If an agency proposes the repeal of an existing rule, the agency is not required to prepare a fiscal note on the proposed rule change as provided by this section.

SECTION 6.(c) This section is effective when it becomes law and applies to proposed rules published on or after that date.

(a) An applicant for a minor or major development permit who is dissatisfied with the decision on his application may file a petition for a contested case hearing under G.S. 150B-23 within 20 days after the decision is made. When a local official makes a decision to grant or deny a minor development permit and the Secretary is dissatisfied with the decision, the Secretary may file a petition for a contested case hearing within 20 days after the decision is made.
(b) A person other than a permit applicant or the Secretary who is dissatisfied with a decision to deny or grant a minor or major development permit may file a petition for a contested case hearing only if the Commission determines that a hearing is appropriate. A request for a determination of the appropriateness of a contested case hearing shall be made in writing and received by the Commission within 20 days after the disputed permit decision is made. A determination of the appropriateness of a contested case shall be made within 15 days after a request for a determination is received and shall be based on whether the person seeking to commence a contested case:

Decisions in such cases shall be rendered pursuant to those rules, regulations, and other applicable laws in effect at the time of the commencement of the contested case.

(c) When the applicant seeks administrative review of a decision concerning a permit under subsection (a) of this section, the permit is suspended from the time a person seeks administrative review of the decision concerning the permit until the Commission determines that the person seeking the review cannot commence a contested case or the Commission makes a final decision in the contested case, as appropriate case, and no action may be taken during that time that would be unlawful in the absence of a permit.

(d) A permit challenged under subsection (b) of this section remains in effect unless a stay is issued by the administrative law judge as set forth in G.S. 150B-33 or by a reviewing court as set forth in G.S. 150B-48."

With respect to approvals already issued by the Department or Commission that include conditions or requirements related to the particle or bulk density of expanded polystyrene material, the Commission or Department, as applicable, shall promptly reissue all such approvals with the conditions and requirements relating to the density of expanded polystyrene material permanently deleted while leaving all other terms and conditions of the approval intact.

SECTION 28.(b) Until the reissuance of approvals by the Department of Environment and Natural Resources or the Commission for Public Health as required by Section 28(a) of this act, conditions or requirements in existing approvals relating to the particle or bulk density of expanded polystyrene shall have no further force or effect.

(2) Professional Engineer. – As defined in G.S. 89C-3.
(3) Regulatory Authority. – The Department of Environment and Natural Resources, the Department of Health and Human Services, and any unit of local government operating a program (i) that grants permits, licenses, or approvals to the public and (ii) that is either approved by or delegated from
the Department of Environment and Natural Resources or the Department of Health and Human Services.

(4) Regulatory Submittal. – An application or other submittal to a Regulatory Authority for a permit, license, or approval. In the case of a unit of local government, Regulatory Submittal shall mean an application or submittal submitted to a program approved by or delegated from the Department of Environment and Natural Resources or the Department of Health and Human Services.

(5) Submitting Party. – The person submitting the Regulatory Submittal to the Regulatory Authority.

(6) Working Job Title. – The job title a Regulatory Authority uses to publicly identify an employee with job duties that include the review of Regulatory Submittals. Working Job Title does not mean job titles that are used by the human resources department of a Regulatory Authority to classify jobs containing technical aspects related to the Practice of Engineering.

SECTION 29.(b) Standardize Certain Regulatory Review Procedures. – No later than December 1, 2014, each Regulatory Authority shall review and, where necessary, revise its procedures for review of Regulatory Submittals to accomplish the following:

(1) Standardize the provision of review and comments on Regulatory Submittals so that revisions or requests for additional information that are required by the Regulatory Authority in order to proceed with the permit, license, or approval are clearly delineated from revisions or requests for additional information that constitute suggestions or recommendations by the Regulatory Authority. For purposes of this subdivision, “suggestions or recommendations by the Regulatory Authority” means comments made by the reviewer of the Regulatory Submittal to the Submitting Party that make a suggestion or recommendation for consideration by the Submitting Party but that are not required by the Regulatory Authority in order to proceed with the permit, license, or approval.

This review should first be conducted by the reviewing employee’s supervisor or, in the case of a Regulatory Authority that is a unit of local government, either the reviewing employee’s supervisor or the delegating or approving State agency. If this initial review was not conducted by a Professional Engineer, then the Submitting Party may request review by (i) a Professional Engineer on the staff of the Regulatory Authority or (ii) the delegating or approving State agency in the case of a Regulatory Authority that is a unit of local government. If the Regulatory Authority or delegating or approving State agency does not employ a Professional Engineer qualified and competent to perform the review, it may provide for review by a consulting Professional Engineer selected from a list developed and maintained by the Regulatory Authority. The Regulatory Authority may charge the Submitting Party for the costs of the review by the consulting Professional Engineer. Nothing in this subdivision is intended to limit the authority of the Regulatory Authority to make a final decision with regard to a Regulatory Submittal following the reviews described in this subdivision.

(2) A disagreement between the reviewer of the Regulatory Submittal and the Submitting Party regarding whether the statutory or regulatory authority identified by the Regulatory Authority for revisions or requests for
additional information designated as "required" under the procedures set forth in Section 29(b) of this act justifies a required change.

SECTION 29.(d) Scope. — Nothing in Section 29(c) of this act shall limit or abrogate any rights available under Chapter 150B of the General Statutes to any Submitting Party.

SECTION 29.(e) Procedure to Develop List of Consulting Professional Engineers. — Regulatory Authorities shall develop formal written procedures to prepare and maintain a list of consulting Professional Engineers required pursuant to subdivision (1) of Section 29(c) of this act.

3. Develop recommendations for ensuring that work activities constituting the Practice of Engineering are conducted with the appropriate level of oversight.

SECTION 29.(g) Report. — The Department shall report the results of the pilot study to the Environmental Review Commission no later than April 15, 2015.

SECTION 29.(h) Review of Working Job Titles. — No later than December 1, 2014, each Regulatory Authority and the Department of Transportation shall do the following:

1. Review the Working Job Titles of every employee with job duties that include the review of Regulatory Submittals.
2. Propose revisions to the Working Job Titles identified under subdivision (1) of this subsection or other administrative measures that will eliminate the public identification as "engineers" of persons reviewing Regulatory Submittals who are not Professional Engineers.

SECTION 29.(i) Initial Report. — Each Regulatory Authority shall report to the Environmental Review Commission prior to the convening of the 2015 Regular Session of the 2015 General Assembly on implementation of the following, if applicable:

No speed limit established by the Commissioner pursuant to this provision shall be effective until posted in the part of the system where the limit is intended to apply.

(f) Notwithstanding any other provision of this section, a person may petition the Department of Environment and Natural Resources for a waiver authorizing the person to operate a vehicle in the State parks road system at a speed in excess of 25 miles per hour in connection with a special event. The Secretary may impose any conditions on a waiver that the Secretary determines to be necessary to protect public health, safety, welfare, and the natural resources of the State park. If the statement states that an owner makes no representations as to the severance of mineral rights or the severance of oil and gas rights by the previous owner of the property, then the owner has no duty to disclose the severance of mineral rights or the severance of oil and gas rights, as applicable, by a previous owner of the property, whether or not the owner should have known of any such severance.

"§ 47E-5. Time for disclosure; cancellation of contract.
  (a) The owner of real property subject to this Chapter shall deliver to the purchaser the disclosure statements required by this Chapter no later than the time the purchaser makes an offer to purchase, exchange, or option the property, or exercises the option to purchase the property pursuant to a lease with an option to purchase. The residential property disclosure statement, the mineral and oil and gas rights mandatory disclosure statement, or the owners' association and mandatory covenants disclosure statement may be included in the real estate contract, in an addendum, or in a separate document.

"§ 47E-6. Owner liability for disclosure of information provided by others.
The exception to the disclosures required by G.S. 47E-4.1, the owner may discharge the duty to disclose imposed by this Chapter by providing a written report attached to the residential property disclosure statement and the owners' association and mandatory covenants disclosure statement by a public agency or by an attorney, engineer, land surveyor, geologist, pest control operator, contractor, home inspector or other expert, dealing with matters within the scope of the public agency's functions or the expert's license or expertise. The owner shall not be liable for any error, inaccuracy, or omission of any information delivered pursuant to this section if the error, inaccuracy, or omission was made in reasonable reliance upon the information provided by the public agency or expert and the owner was not grossly negligent in obtaining the information or transmitting it.

"§ 47E-7. Change in circumstances.
If, subsequent to the owner's delivery of a residential property disclosure statement and the mineral and oil and gas rights mandatory disclosure statement, or the owners' association and mandatory covenants disclosure statement to a purchaser, the owner discovers a material inaccuracy in a disclosure statement, or a disclosure statement is rendered inaccurate in a material way by the occurrence of some event or circumstance, the owner shall promptly correct the inaccuracy by delivering a corrected disclosure statement or statements to the purchaser. Failure to deliver a corrected disclosure statement or to make the repairs made necessary by the event or circumstance shall result in such remedies for the buyer as are provided for by law in the event the sale agreement requires the property to be in substantially the same condition at closing as on the date of the offer to purchase, reasonable wear and tear excepted.

"§ 47E-8. Agent's duty.
A real estate broker or salesperson acting as an agent in a residential real estate transaction has the duty to inform each of the clients of the real estate broker or salesperson of the client's rights and obligations under this Chapter. Provided the owner's real estate broker or salesperson has performed this duty, the broker or salesperson shall not be responsible for the owner's willful refusal to provide a prospective purchaser with a residential property disclosure statement, the mineral and oil and gas rights mandatory disclosure statement, or an owners' association and mandatory covenants disclosure statement. Nothing in this Chapter shall be construed to conflict with, or alter, the broker or salesperson's broker's duties under Chapter 93A of the General Statutes.

Session Law 2014-6

House Bill 1108-Ratified
AN ACT TO MAKE CHANGES TO THE LAW GOVERNING RED LIGHT CAMERAS IN FAYETTEVILLE.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-300.1(c), as amended by S.L. 2007-341, reads as rewritten:

"(c) Municipalities may adopt ordinances for the civil enforcement of G.S. 20-158 by means of a traffic control photographic system, as described in subsection (a) of this section. Notwithstanding the provisions of G.S. 20-176, in the event that a municipality adopts an ordinance pursuant to this section, a violation of G.S. 20-158 at a location at which a traffic control photographic system is in operation shall not be an infraction. An ordinance authorized by this subsection shall provide that:

(1) The owner of a vehicle shall be responsible for a violation unless the owner can furnish evidence that the vehicle was, at the time of the violation, in the care, custody, or control of another person. The owner of the vehicle shall not be responsible for the violation if the owner of the vehicle, within 30 days after the date of personal service or mailing of notification of the violation, furnishes the officials or agents of the municipality which issued the citation either of the following:
   a. An affidavit stating the name and address of the person or company who had the care, custody, and control of the vehicle.
   b. An affidavit stating that the vehicle involved was, at the time, stolen. The affidavit must be supported with evidence that supports the affidavit, including insurance or police report information.

(1a) Subdivision (1) of this subsection shall not apply, and the registered owner of the vehicle shall not be responsible for the violation, if notice of the violation is given to the registered owner of the vehicle more than 90 days after the date of the violation.

(2) A violation detected by a traffic control photographic system shall be deemed a noncriminal violation for which a civil penalty of seventy-five dollars ($75.00) shall be assessed, and for which no points authorized by G.S. 20-16(c) shall be assigned to the owner or driver of the vehicle nor insurance points as authorized by G.S. 58-36-65.

(3) The owner of the vehicle shall be issued a citation which shall clearly state when the penalty is due and the manner in which the violation may be challenged. The owner shall comply with the directions on the citation. The citation shall be processed by officials or agents of the municipality and shall be forwarded by personal service or first-class mail to the address given on the motor vehicle registration. If the owner fails to pay the civil penalty or to respond to the citation within 30 days after the date the citation is served or mailed, the owner shall have waived the right to contest responsibility for the violation, and shall be subject to a civil penalty not to exceed one hundred dollars ($100.00). The municipality may establish procedures for the collection of these penalties and may enforce the penalties by civil action in the nature of debt.
(4) The municipality shall institute a nonjudicial administrative hearing to review objections to citations or penalties issued or assessed under this section.

(4a) A municipality enacting an ordinance implementing a traffic control photographic system may enter into a contract with a contractor for the lease, lease-purchase, or purchase of the system. The municipality may enter into only one contract for the lease, lease-purchase, or purchase of the system, and the duration of the contract may be for no more than 60 months. After the period specified in the contract has expired, the system shall either be the property of the municipality, or the system shall be removed and returned to the contractor.

(5) The clear proceeds from the citations issued pursuant to an ordinance authorized by this section shall be paid to the local school board. For the purposes of determining the clear proceeds derived from the citations, the following expenses, not to exceed ten percent (10%) of the civil penalty assessed pursuant to subdivision (2) of this subsection, are authorized to be deducted from each civil penalty assessed pursuant to the provisions of subdivision (2) of this subsection:
   a. The cost of materials and postage directly related to the printing and mailing of the first and second notices sent to the owner and, if necessary, the driver of the vehicle.
   b. The cost of computer services directly related to the production and mailing of the notices described in sub-subdivision a. of this subdivision.

(6) The municipality may assess a collection assistance fee against the owner and, if necessary, driver of the vehicle under the conditions in this subdivision. Amounts collected must be credited first to the payment of the civil penalty and then to collection assistance fee. The conditions are as follows:
   a. The civil penalty has not been paid within 30 days after the personal service or first-class mailing of a second notice that the penalty is due. The second notice must be served or mailed no sooner than 30 days after the day the first notice was served or mailed and must contain a notice stating that a collection assistance fee will be assessed if the penalty is not paid within 30 days after the service or mailing of the second notice, the date when the collection assistance fee will be assessed, and the amount of the collection assistance fee. The collection assistance fee shall not exceed twenty percent (20%) of the civil penalty assessed pursuant to subdivision (2) of this subsection.
   b. Collection assistance fees shall be placed in a separate fund that may be used only for the purpose of paying for the costs of collection expended to collect civil penalties that remain unpaid 30 days after the service or mailing of the second notice required pursuant to sub-subdivision a. of this subdivision."

SECTION 2. G.S. 160A-300.1(c)(2), as amended by S.L. 2007-341 and by Section 1 of this act, reads as rewritten:
"(2) A violation detected by a traffic control photographic system shall be deemed a noncriminal violation for which a civil penalty of seventy-five dollars ($75.00) or one hundred dollars ($100.00) shall be assessed, and for which no points authorized by G.S. 20-16(c) shall be assigned to the owner or driver of the vehicle nor insurance points as authorized by G.S. 58-36-65."

SECTION 3. The City of Fayetteville and the Cumberland County Board of Education may enter into an interlocal agreement necessary and proper to effectuate the purpose and intent of G.S. 160A-300.1 and this act. Any agreement entered into pursuant to this section may include provisions on cost-sharing and reimbursement that the Cumberland County Board of Education and the City of Fayetteville freely and voluntarily agree to for the purpose of effectuating the provisions of G.S. 160A-300.1 and this act.
